CONDITIONAL SALE AGREEMENT dated as of January 1, 1980 between THRALL CAR MANUFACTURING COMPANY (hereinafter called the Vendor or Builder as more particularly set forth in Article 1) and MERCANTILE-SAFE DEPOSIT AND TRUST COMPANY, as Trustee (hereinafter, together with its successors and assigns, called the Vendee) under a Trust Agreement dated as of the date hereof (hereinafter called the Trust Agreement) with WELLS FARGO EQUIPMENT LEASING CORPORATION and MARK TWAIN LEASING COMPANY (hereinafter called collectively the Beneficiaries and individually a Beneficiary).

WHEREAS, the Builder has agreed to construct, sell and deliver to the Vendee, and the Vendee has agreed to purchase, the railroad equipment described in Annex A hereto (hereinafter called the Equipment); and

WHEREAS, the Vendee is entering into a Lease of Railroad Equipment dated as of the date hereof (hereinafter called the Lease), substantially in the form of Annex C hereto, with OKLAHOMA GAS AND ELECTRIC COMPANY (hereinafter called the Lessee);

NOW, THEREFORE, in consideration of the mutual promises, covenants and agreements hereinafter set forth, the parties hereto do hereby agree as follows:

ARTICLE 1. Assignment; Definitions. The parties hereto contemplate (subject to the limitations set forth in the third paragraph of Article 3 and the first paragraph of Article 4) that the Vendee will furnish that portion of the Purchase Price (as hereinafter defined in Article 4) for the Equipment as is required under subparagraph (a) of the fourth paragraph of Article 4 and that an amount equal to the balance of such Purchase Price shall be paid to the Builder by THE FIRST NATIONAL BANK AND TRUST COMPANY OF OKLAHOMA CITY, as Agent (hereinafter, together with its successors and assigns, called the Assignee) under a Participation Agreement dated as of the date hereof (hereinafter called the Participation Agreement) with the Beneficiaries, the Builder, the Lessee and the Investors named therein, as assignee of the Builder's right, title and interest under this Agreement pursuant to an Agreement and Assignment dated as of the date hereof (hereinafter called the Assignment) between the Builder and the Assignee.

The term "Vendor," whenever used in this Agreement, means, before any assignment of its rights hereunder, the Builder and, after any such assignment, both any assignee or assignees for the time being of such particular assigned rights as regards such rights, and also any assignor as regards any rights hereunder that are retained and excluded from any such assignment; and the term "Builder," whenever used in this Agreement, means, both before and after any such assignment, the Builder. In case of such assignment,

the Vendee will assign to the Vendor, as security for the payment and performance of all the Vendee's obligations hereunder, certain rights, titles and interests of the Vendee in and to the Lease pursuant to an Assignment of Lease and Agreement dated as of the date hereof (hereinafter called the Lease Assignment), substantially in the form of Annex D hereto.

ARTICLE 2. Construction and Sale. Pursuant to this Agreement, the Builder shall construct the Equipment at its plant set forth in Annex A hereto and will sell and deliver to the Vendee, and the Vendee will purchase from the Builder and accept delivery of and pay for as hereinafter provided, the Equipment, each unit of which shall be constructed in accordance with the specifications referred to in Annex A hereto and in accordance with such modifications thereof as may be agreed upon in writing among the Builder, the Vendee and the Lessee (which specifications and modifications, if any, are hereinafter called the Specifications). The design, quality and component parts of each unit of the Equipment shall conform, on the date of completion of manufacture thereof, to all United States Department of Transportation and Interstate Commerce Commission requirements and standards for new equipment and to all standards recommended by the Association of American Railroads reasonably interpreted as being applicable to railroad equipment of the character of such unit; and each such unit and its component parts will be new railroad equipment when delivered to the Vendee as hereinafter provided and will not contain any used components.

ARTICLE 3. Inspection and Delivery. The Builder will deliver the units of the Equipment to the Vendee at the place specified in Annex A hereto, freight charges, if any, prepaid, in accordance with the delivery schedule set forth in Annex A hereto; provided, however, that delivery of any unit of the Equipment shall not be made except concurrently with the settlement therefor on a Closing Date pursuant to Article 4, and in no event until this Agreement and the Lease shall have been filed with the Interstate Commerce Commission pursuant to 49 U.S.C. §11303.

The Builder's obligation as to time of delivery is subject, however, to delays resulting from causes beyond the Builder's reasonable control, including, but not limited to, acts of God, acts of government such as embargoes, priorities and allocations, war or war conditions, riot or civil commotion, sabotage, strikes, differences with workmen, accidents, fire, flood, explosion, damage to plant, equipment or facilities, delays in receiving necessary materials or delays of carriers or subcontractors.

Notwithstanding the preceding provisions of this Article 3, any Equipment not delivered, accepted and settled for on or before June 30, 1980 shall be excluded from this

Agreement and not included in the term "Equipment," and the Vendee shall be relieved of its obligation to pay the cost thereof. In the event of any such exclusion, the parties hereto shall execute an agreement supplemental hereto limiting this Agreement to the Equipment not so excluded herefrom.

During construction, the Equipment shall be subject to inspection and approval by the authorized inspectors of the Vendee (who may be employees of the Lessee), and the Builder shall grant to such authorized inspectors reasonable access to its plant. The Builder agrees to inspect all materials used in the construction of the Equipment in accordance with the standard quality control practices of the Builder. Upon completion of a Group (as defined in Article 4) of units of the Equipment, such units shall be presented on the Closing Date therefor (as hereinafter defined in Article 4) to an inspector of the Vendee or its duly appointed agent for inspection at the place specified for delivery of such units, and if each such unit conforms to the specifications, requirements and standards applicable thereto, such inspector or an authorized representative of the Vendee (who may be an employee of the Lessee) shall on such Closing Date, but subject to the satisfaction of the conditions to such Closing Date set forth in the Assignment, execute and deliver to the Vendee, with a copy to the Builder, a certificate of acceptance (hereinafter called a Certificate of Acceptance) stating that such units have been inspected and accepted on behalf of the Vendee and are marked in accordance with Article 10; provided, however, that the Builder shall not thereby be relieved of its warranties referred to in Article 14. By Section 2 of the Lease, the Vendee is appointing the Lessee its agent to inspect and accept delivery of each unit of the Equipment on the Closing Date therefor. Acceptance of any unit of Equipment by the Lessee (or its employees or agents, as aforesaid) shall be deemed to be acceptance of such unit by the Vendee.

On delivery and acceptance of each such unit hereunder on a Closing Date at the place specified for delivery, the Builder shall have no further responsibility for, nor bear any risk of, any damage to or the destruction or loss of such unit; provided, however, that the Builder shall not thereby be relieved of its warranties referred to in Article 14.

ARTICLE 4. Purchase Price and Payment. The base price per unit of the Equipment is set forth in Annex A hereto. Such base price is subject to such increase or decrease as is agreed to by the Builder, the Vendee and the Lessee prior to the presentation by the Builder of its invoice in the manner described in the next paragraph. The term "Purchase Price" shall mean with respect to any unit of the Equipment the base price as so increased or decreased. The term "Purchase Price" shall mean with respect to any number of

units of the Equipment the sum of the Purchase Prices of such units of the Equipment, and with respect to the Equipment, shall mean the sum of the Purchase Prices of all of the units of the Equipment. The Purchase Price of each Unit shall include the sales or use tax, storage charges prior to delivery and freight charges to place of delivery, in each case, if any. If on any Closing Date (as hereinafter defined in this Article 4) the aggregate invoiced Purchase Price of Equipment for which settlement has theretofore been and is then being made under this Agreement would, but for the provisions of this sentence, exceed \$5,927,054, the Builder and the Vendee will enter into an agreement excluding from this Agreement such unit or units of Equipment then proposed to be settled for and specified by the Vendee as will be required, after giving effect to such exclusion, to reduce such aggregate Purchase Price of all units delivered and accepted under this Agreement to not more than \$5,927,054, and the Vendee will have no further obligations with respect to units of Equipment so excluded.

The Equipment shall be settled for in not more than three groups of units of the Equipment (each group, other than the last group, consisting of not less than 50 units) to be delivered to and accepted by the Vendee (each such group being hereinafter called a Group). The term "Closing Date" with respect to each Group shall mean such date, not earlier than January 15, 1980 and not later than June 30, 1980, occurring not more than five Business Days following presentation by the Builder to the Vendee of the invoice for such Group and the Certificates of Acceptance in respect thereof and written notice thereof by the Builder to the Lessee, as shall be fixed by the Lessee by written notice delivered to the Vendee and the Agent at least three Business Days prior to the Closing Date designated therein.

The term "Business Days" as used herein means calendar days, excluding Saturdays, Sundays and any other day on which banking institutions in New York, New York, Baltimore, Maryland or Oklahoma City, Oklahoma are authorized or obligated by law to remain closed.

Subject to the provisions of the final paragraph of this Article 4, the Vendee hereby acknowledges itself to be indebted to the Vendor in the amount of, and hereby promises to pay to the Vendor at such place as the Vendor may designate, the Purchase Price of the Equipment, as follows:

(a) On the Closing Date with respect to each Group, an amount equal to 37.9017% of the Purchase Price of such Group; and

(b) In 25 consecutive semi-annual installments, as hereinafter provided, an amount equal to 62.0983% of the Purchase Price of such Group.

The portion of the Purchase Price of the Equipment payable pursuant to subparagraph (b) of the preceding paragraph (hereinafter called the Conditional Sale Indebtedness) shall be payable on January 10 and July 10 of each year, commencing January 10, 1981 to and including January 10, 1993 (or if any such date is not a Business Day, on the next following Business Day, but with interest accruing only to such January 10 or July 10), each such date being hereinafter called a Payment Date. The installment of principal payable on each Payment Date shall be substantially in proportion to the amount and allocation of principal and interest on such Payment Date set forth in Annex B hereto. The unpaid balance of the Conditional Sale Indebtedness shall bear interest from the Closing Date in respect of which such indebtedness was incurred at the rate of 12% per annum and such interest shall be payable, to the extent accrued, on January 10 and July 10 of each year, commencing July 10, 1980 and terminating January 10, 1993. The Vendee will furnish to the Vendor promptly after the Cut-Off Date (as defined in Paragraph 4 of the Participation Agreement) a schedule in such number of counterparts as shall be requested by the Vendor, showing the respective amounts of Conditional Sale Indebtedness and interest payable on each Payment Date and the amount of interest payable on July 10, 1980.

Interest under this Agreement shall be determined on the basis of a 360-day year of twelve 30-day months, except that for purposes of determining the amount of interest payable on July 10, 1980, reference shall be made to the actual number of days elapsed on a calendar year basis using a 366-day calendar year.

Subject to the provisions of the final paragraph of this Article 4, the Vendee will pay interest, to the extent legally enforceable, at a rate equal to the higher of (i) 13% per annum, or (ii) 3% per annum in excess of the per annum rate charged by The First National Bank and Trust Company of Oklahoma City from time to time to its largest and most credit-worthy commercial borrowers on 90-day commercial loans, upon all amounts remaining unpaid after the same shall have become due and payable pursuant to the terms hereof.

All payments provided for in this Agreement shall be made by wire transfer of immediately available funds. Except as provided in this Article 4, in Article 7 and in Article 8, the Vendee shall not have the privilege of pre-paying any portion of the Conditional Sale Indebtedness prior to the date it becomes due.

The obligation of the Vendee to pay to the Vendor any amount required to be paid pursuant to the fourth paragraph of this Article 4 with respect to any Group is specifically subject to the fulfillment, on or before the Closing Date in

respect of such Group, of the following conditions (any of which may be waived by the Vendee, and payment by the Vendee of the amount specified in subparagraph (a) of such fourth paragraph with respect to such Group shall be conclusive evidence that such conditions have been fulfilled or irrevocably waived):

(a) the Assignee shall have paid or caused to have been paid to the Builder the amounts contemplated to be paid by it as provided in Article 1 and in the Assignment and the documents required by the Assignment shall have been delivered;

(b) no event of default specified herein or Event of Default under the Lease, nor any event which, with notice, demand and/or lapse of time provided for herein or in the Lease, would constitute such an event of default or Event of Default shall have occurred and be continuing; and

(c) the Vendee shall have received (i) the opinion of counsel required by Section 16 of the Lease, (ii) the documents and opinions required by Section 5 of the Assignment, and (iii) such other documents and opinions as the Vendee may reasonably request.

The Vendee may, at its option, but only with the written consent of the Lessee, on any January 10 or July 10 occurring on or after July 10, 1980, prepay all, but not less than all, of the Conditional Sale Indebtedness then outstanding (such date on which prepayment is to be made being herein-after called the Prepayment Date), at a price (hereinafter called the Prepayment Price) equal to the percentage of the principal amount being prepaid set forth in the following schedule opposite such Prepayment Date:

<u>Prepayment Date</u>	<u>Percentage</u>	<u>Prepayment Date</u>	<u>Percentage</u>
July 10, 1980	112.00%	January 10, 1987	106.00%
January 10, 1981	112.00	July 10, 1987	105.00
July 10, 1981	111.00	January 10, 1988	105.00
January 10, 1982	111.00	July 10, 1988	104.00
July 10, 1982	110.00	January 10, 1989	104.00
January 10, 1983	110.00	July 10, 1989	103.00
July 10, 1983	109.00	January 10, 1990	103.00
January 10, 1984	109.00	July 10, 1990	102.00
July 10, 1984	108.00	January 10, 1991	102.00
January 10, 1985	108.00	July 10, 1991	101.00
July 10, 1985	107.00	January 10, 1992	101.00
January 10, 1986	107.00	July 10, 1992	100.00
July 10, 1986	106.00	January 10, 1993	100.00

together, in the case of any such prepayment, with accrued interest to the Prepayment Date. Notice of such optional

prepayment shall be irrevocable and shall be given in a written instrument filed with the Vendor within 60 days but no less than 30 days prior to the Prepayment Date. Notice of prepayment having been given as aforesaid, the Conditional Sale Indebtedness to be so prepaid shall, on the Prepayment Date, become due and payable at the Prepayment Price and from and after such Prepayment Date (unless the Vendee shall default in the payment of the Prepayment Price and accrued interest), the Conditional Sale Indebtedness shall cease to bear interest. Notwithstanding the above, however, the Vendee may not prepay any Conditional Sale Indebtedness pursuant to this paragraph prior to July 10, 1990 directly or indirectly from, or in anticipation of the receipt of, the proceeds (or any part thereof) of any refinancing operation which has a lower effective dividend or interest cost to the Vendee (or the Beneficiaries), computed in accordance with generally accepted financial practice, than that of the Conditional Sale Indebtedness. Each notice of prepayment given pursuant to this paragraph with respect to a Prepayment Date prior to July 10, 1990 shall state that such prepayment is not being effected in contravention of the provisions of this Article.

Notwithstanding any other provision of this Agreement (including, but not limited to, any provision of Articles 16 and 17), it is understood and agreed by the Vendor that the liability of the Vendee or any Beneficiary for all obligations and payments to be made by the Vendee under and pursuant to this Agreement, shall not exceed an amount equal to, and shall be payable only out of the "income and proceeds from the Equipment" as hereinafter defined, and such payments shall be made by the Vendee only to the extent that the Vendee or any assignee of the Vendee shall have actually received sufficient "income and proceeds from the Equipment" to make such payments. Except as provided in the next preceding sentence, the Vendor agrees that neither the Vendee nor any Beneficiary shall have any personal liability to make any payments under this Agreement whatsoever except from the "income and proceeds from the Equipment" to the extent actually received and finally collected by the Vendee or any assignee of the Vendee. In addition, the Vendor agrees that neither the Vendee nor any Beneficiary (i) makes any representation or warranty, and is not responsible for, the due execution, validity, sufficiency or enforceability of the Lease (or any document referred to therein or relative thereto) in so far as it relates to the Lessee or of any of the Lessee's obligations thereunder and (ii) shall not be responsible for the performance or observance by the Lessee of any of its agreements, representations, indemnities, obligations or other undertakings under the Lease (or any document referred to therein), it being understood that as to all such matters the Vendor will look solely to the Vendor's rights under this Agreement against the Lessee and the Equipment and to the Vendee's rights under the Lease

against the Lessee and the Equipment. As used herein, the term "income and proceeds from the Equipment" shall mean (i) if one of the events of default specified in Article 16 shall have occurred and while it shall be continuing, so much of the following amounts as are free and clear of all claims and liens by or through the Lessee received by the Vendee or the Assignee at any time after any such event of default and during the continuance thereof: (a) all amounts of rental and amounts in respect of Casualty Occurrences (as hereinafter defined in Article 7) or of a Termination Occurrence (as hereinafter defined in Article 8) paid for or with respect to the Equipment pursuant to the Lease, (b) any and all payments or proceeds received by the Vendee or any assignee of the Vendee for or with respect to the Equipment as the result of the sale, lease or other disposition thereof, after deducting all costs and expenses of such sale, lease or other disposition, up to an amount equal to that portion of the Conditional Sale Indebtedness then remaining unpaid, and (c) any and all other payments received by the Vendee or any assignee of the Vendee under Section 11 of the Lease; and (ii) at any other time, only that portion of the amounts referred to in the foregoing clauses (a), (b) and (c) as are free and clear of all claims and liens by or through the Lessee received by the Vendee or the Assignee and as shall equal the portion of the Conditional Sale Indebtedness (including prepayments thereof required in respect of Casualty Occurrences or a Termination Occurrence) and/or interest and premium thereon due and payable on the date such amounts received by the Vendee or the Assignee were required to be paid over pursuant to the Lease or as shall equal any other payments then due and payable under this Agreement; it being understood that "income and proceeds from the Equipment" shall in no event include amounts referred to in the foregoing clauses (a), (b) and (c) which were received by the Vendee or the Assignee prior to the declaration of such an event of default and which exceeded the amounts required to discharge the portion of the Conditional Sale Indebtedness (including prepayments thereof required in respect of Casualty Occurrences or a Termination Occurrence) and/or interest and premium thereon due and payable on the date on which amounts with respect thereto received by the Vendee or the Assignee were required to be paid over pursuant to the Lease or which exceeded any other payments due and payable under this Agreement at the time such amounts were payable under the Lease, or payments by the Lessee to the Vendee (in its individual capacity) or any Beneficiary pursuant to Sections 6 and 9 of the Lease and payments required to be made under the Indemnity Agreement between the Lessee and the Beneficiaries dated as of the date hereof. It is further understood and agreed that nothing contained herein limiting the liability of the Vendee shall derogate from the right of the Vendor upon an event of default hereunder to proceed against the Equipment for the full unpaid Purchase Price of the Equipment and interest and premium

thereon and for all other payments and obligations hereunder. Notwithstanding anything contained in Article 16 or Article 17, the Vendor or any successor or assign of the Vendor agrees that in the event it shall obtain a judgment against the Vendee for an amount in excess of the amounts payable by the Vendee on account of the limitations set forth in this paragraph, it will, accordingly, limit its execution of such judgment to amounts payable within the limitations set forth in this paragraph.

ARTICLE 5. Security Interest in the Equipment. The Vendor shall and hereby does retain a security interest in the Equipment until the Vendee shall have made all its payments under this Agreement and shall have kept and performed all its agreements herein contained, notwithstanding any provision of this Agreement limiting the liability of the Vendee and notwithstanding the delivery of the Equipment to and the possession and use thereof by the Vendee and the Lessee as provided in this Agreement and the Lease. Any and all additions to the Equipment, and any and all parts installed on and additions and replacements made to any unit of the Equipment, title to which vests in the Lessor under the Lease, shall constitute accessions to the Equipment and shall be subject to all the terms and conditions of this Agreement and included in the term "Equipment" as used in this Agreement.

Except as otherwise specifically provided in Article 7 and Article 8, when and only when the Vendor shall have been paid the full Purchase Price of the Equipment, together with interest and all other payments as herein provided, and all the Vendee's obligations herein contained shall have been performed, absolute right to the possession of, title to and property in the Equipment shall pass to and vest in the Vendee without further transfer or action on the part of the Vendor; however, the Vendor, if so requested by the Vendee, will (a) execute a bill or bills of sale for the Equipment releasing its security interest therein to the Vendee, or upon its order, free of all liens, security interests and other encumbrances created or retained hereby or which result from claims against the Vendor not related to its security interest in the Equipment, the performance of the Vendor's duties and responsibilities under this Agreement or any instrument referred to herein or any other transaction pursuant to or contemplated by this Agreement or any instrument referred to herein and deliver such bill or bills of sale to the Vendee at its address referred to in Article 21, (b) execute and deliver to the same place, for filing, recording, registering or depositing in all necessary public offices, such instrument or instruments in writing as may be necessary or appropriate in order then to make clear upon the public records the title of the Vendee to the Equipment and (c) pay to the Vendee any money paid to the Vendor pursuant to Article 7 or Article 8 and not theretofore

applied as therein provided. The Vendee hereby waives and releases any and all rights, existing or that may be acquired, in or to the payment of any penalty, forfeiture or damages for failure to execute and deliver such bill or bills of sale or instrument or instruments or to file any certificate of payment in compliance with any law or statute requiring the filing of the same, except for failure to execute and deliver such bill or bills of sale or instrument or instruments within a reasonable time after written demand by the Vendee.

ARTICLE 6. Taxes. All payments to be made by the Vendee hereunder will be free of expense to the Vendor for collection or other charges and will be free of expense to the Vendor with respect to the amount of any local, state, federal or foreign taxes [other than net income taxes, gross receipts taxes (except gross receipts taxes in the nature of or in lieu of sales, use or rental taxes), franchise taxes measured by net income based upon receipt of such payments, excess profits taxes and similar taxes or general corporation, franchise or like taxes measured by Vendor's capital, capital stock or net worth], license fees, assessments, charges, fines or penalties hereafter levied or imposed upon or in connection with or measured by this Agreement, or any sale, rental, use, payment, shipment, delivery or transfer of title under the terms hereof (all such expenses, taxes, license fees, assessments, charges, fines and penalties being hereinafter called collectively Impositions), all of which Impositions the Vendee assumes and agrees to pay on demand. The Vendee will also pay promptly all Impositions which may be imposed upon the Equipment delivered to it or for the use or operation thereof (except as excluded above) or upon the earnings arising therefrom or upon the Vendor solely by reason of its security title therein (except as excluded above) and will keep at all times all and every part of the Equipment free and clear of all Impositions which might in any way affect the security title of the Vendor or result in a lien upon any part of the Equipment; provided, however, that the Vendee shall be under no obligation to pay any Imposition so long as it is contesting in good faith and by appropriate legal proceedings such Imposition and the nonpayment thereof does not, in the opinion of the Vendor, adversely affect the security title, property or rights of the Vendor in or to the Equipment or otherwise under this Agreement. If any Imposition shall have been charged or levied against the Vendor directly and paid by the Vendor, the Vendee shall reimburse the Vendor upon presentation of an invoice therefor, and any amounts so paid by the Vendor shall be secured by and under this Agreement; provided, however, that the Vendee shall not be obligated to reimburse the Vendor for any Imposition so paid unless the Vendor shall have been legally liable with respect thereto (as evidenced by an opinion of counsel for the Vendor, which counsel is satisfactory to the Vendee) or unless the Vendee shall have approved in writing the payment thereof.

ARTICLE 7. Maintenance; Casualty Occurrences; Insurance.
The Vendee, at its own cost and expense, shall maintain and keep each unit of the Equipment in good order and repair, ordinary wear and tear excepted.

In the event that any unit of the Equipment shall become lost, stolen, destroyed, irreparably damaged from any cause whatsoever, or taken or requisitioned by condemnation or otherwise by the United States Government for a stated period which shall exceed the then remaining term of the Lease or for an indefinite period, but only, in the case of an indefinite period, after such taking or requisition continues for one year, or by any other governmental entity resulting in the loss of possession by the Lessee for a period of one year (such occurrences being hereinafter called Casualty Occurrences), the Vendee shall, promptly after it shall have determined that such unit has suffered a Casualty Occurrence, cause the Vendor to be fully informed in regard thereto. On the next succeeding Payment Date for the payment of an installment of principal and interest on the Conditional Sale Indebtedness following such notice (hereinafter called a Casualty Payment Date), the Vendee shall pay a sum equal to the Casualty Value (as hereinafter defined in this Article 7) of such unit as of the Casualty Payment Date and shall file, or cause to be filed, with the Vendor a certificate setting forth the Casualty Value of such unit or units. Any money paid to the Vendor pursuant to this paragraph or received as the proceeds of insurance maintained in accordance with this Article 7 shall be applied to prepay, without penalty or premium, ratably in accordance with the unpaid balance thereof, each installment of the Conditional Sale Indebtedness with respect to such units, and the Vendee will promptly furnish to the Vendor, each Beneficiary and the Lessee a revised schedule of payments of installments of Conditional Sale Indebtedness and interest thereafter to be made, in such number of counterparts as the Assignee may request, calculated as provided in the fifth paragraph of Article 4. To the extent that any money paid to the Vendor pursuant to this paragraph or received as proceeds of insurance maintained in accordance with this Article 7 exceeds the unpaid balance of the Conditional Sale Indebtedness with respect to any unit of the Equipment suffering a Casualty Occurrence, plus any interest owing with respect thereto, such excess will be paid over to the Vendee by the Vendor.

Upon payment by the Vendee to the Vendor of the Casualty Value of any unit of the Equipment having suffered a Casualty Occurrence, absolute right to the possession of, title to and property in such unit shall pass to and vest in the Vendee, without further transfer or action on the part of the Vendor; provided, however, that the Vendor, if so requested by the Vendee, will execute and deliver to the Vendee, at the expense of the Vendee, a bill of sale for

such unit releasing the Vendor's security interest therein to the Vendee, or upon its order, free of all liens, security interests and other encumbrances created or retained hereby or which result from claims against the Vendor not related to the ownership of the Equipment, the performance of the Vendor's duties and responsibilities under this Agreement or any instrument referred to herein or any other transaction pursuant to or contemplated by this Agreement or any instrument referred to herein.

The Casualty Value of each unit of the Equipment suffering a Casualty Occurrence for purposes of this Article 7 shall be deemed to be that portion of the original Purchase Price of such unit of the Equipment remaining unpaid on the date as of which such Casualty Value shall be determined, plus interest accrued thereon but unpaid as of such date. For the purpose of this paragraph, each payment of the Purchase Price in respect of Equipment made pursuant to Article 4 shall be deemed to be a payment on each unit of the Equipment then subject to this Conditional Sale Agreement in like proportion as the original Purchase Price of such unit bears to the aggregate original Purchase Price of all the Equipment then subject to this Conditional Sale Agreement.

Any property insurance proceeds or condemnation payments received by the Vendor in respect of units suffering a Casualty Occurrence shall be deducted from the amounts payable by the Vendee to the Vendor pursuant to the second paragraph of this Article 7. All property insurance proceeds or condemnation payments received by the Vendor in respect of any unit or units of Equipment not suffering a Casualty Occurrence shall be paid to the Vendee upon receipt by the Vendor of a certificate signed by an authorized officer of the Lessee to the effect that any damage to the unit in respect of which such proceeds were paid has been fully repaired.

ARTICLE 8. Termination Occurrence. In the event that the Lease shall be terminated as to all the units of the Equipment by and in accordance with Section 8 of the Lease (any such event being hereinafter called a Termination Occurrence), the Vendee shall pay to the Vendor, on the Termination Date (as defined in the Lease), a sum equal to the Casualty Value of the units of the Equipment as of such Termination Date, without premium, and shall file, or cause to be filed, with the Vendor a certificate setting forth the Casualty Value of each unit. Any money paid to the Vendor pursuant to this paragraph shall be applied to prepay in full the unpaid balance of each installment of the Conditional Sale Indebtedness, together with interest accrued and unpaid thereon to the date of prepayment.

Upon payment by the Vendee to the Vendor of the sums in this Article 8 provided, absolute right to the possession of, title to and property in all units of the Equipment shall vest in the Vendee, without further transfer or action on the part of the Vendor; provided, however, that the Vendor, if so requested by the Vendee, will execute and deliver to the Vendee, at the expense of the Vendee, a bill of sale for all such units releasing the Vendor's security interest therein free of all liens, security interests and other encumbrances created or retained hereby or which result from claims against the Vendor not related to the ownership of the Equipment, the performance of the Vendor's duties and responsibilities under this Agreement or any instrument referred to herein or any other transaction pursuant to or contemplated by this Agreement or any instrument referred to herein.

ARTICLE 9. Reports and Inspections. On or before March 31 in each year, commencing with the year 1981, the Vendee shall cause to be furnished to the Vendor an accurate statement (a) setting forth as at the preceding December 31 the amount, description and numbers of all units of the Equipment then being leased under the Lease and covered by this Agreement, the amount, description and numbers of all units of the Equipment that have suffered a Casualty Occurrence or are undergoing repairs, other than running repairs during the preceding calendar year (or since the date of this Agreement in the case of the first such statement), and such other information regarding the condition and state of repair of the Equipment as the Vendor may reasonably request and (b) stating that, in the case of all Equipment repaired or repainted during the period covered by such statement, the numbers and markings required by Article 10 have been preserved or replaced. The Vendor or its duly appointed agent shall have the right to inspect the Equipment and the Lessee's records (to the extent permitted by the Lease) with respect thereto at such reasonable times as the Vendor may request during the term of this Agreement.

ARTICLE 10. Marking of Equipment. The Vendee will cause each unit of the Equipment to be kept numbered with its identifying number as set forth in Annex A hereto, and will keep and maintain, plainly, distinctly, permanently and conspicuously marked on each side of each unit, in letters not less than one inch in height, the words "Owned by Mercantile-Safe Deposit and Trust Company, as Trustee for Wells Fargo Equipment Leasing Corporation and Mark Twain Leasing Company. Ownership Subject to a Security Agreement Filed with the Interstate Commerce Commission", with appropriate changes thereof and additions thereto as from time to time may be required by law in order to protect the Vendor's interest in the Equipment and its rights under this Agreement. The Vendee will not permit any such unit to be placed in operation or exercise any control or dominion over the same

until such markings shall have been made thereon and will replace or will cause to be replaced promptly any such markings which may be removed, defaced, obliterated or destroyed. The Vendee will not permit the identifying number of any unit of the Equipment to be changed except in accordance with a statement of new number or numbers to be substituted therefor, which statement previously shall have been filed with the Vendor and filed, recorded, registered and deposited by the Vendee in all public offices where this Agreement shall have been filed, recorded, registered and deposited.

Except as provided in the immediately preceding paragraph, the Vendee will not allow the name of any person, association or corporation to be placed on any unit of the Equipment as a designation that might be interpreted as a claim of ownership; provided, however, that the Equipment may be lettered with the name or initials or other insignia customarily used by the Lessee.

ARTICLE 11. Compliance with Laws and Rules. During the term of this Agreement, the Vendee will comply, and will cause every user of the Equipment to comply, in all respects with all laws (including, without limitation, laws with respect to the use, maintenance and operation of the Equipment) of the jurisdictions in which operations involving the Equipment may extend, with the interchange rules of the Association of American Railroads and with all lawful rules of the United States Department of Transportation, the Interstate Commerce Commission and any other legislative, executive, administrative or judicial body exercising any power or jurisdiction over the Equipment, to the extent that such laws and rules affect the title, operation or use of the Equipment; and in the event that such laws or rules require any alteration, replacement or addition of or to any part of any unit of the Equipment, the Vendee will conform therewith at its own expense; provided, however, that the Vendee or the Lessee may, in good faith, contest the validity or application of any such law or rule in any reasonable manner which does not, in the reasonable opinion of the Vendor, adversely affect the property or rights of the Vendor under this Agreement.

ARTICLE 12. Possession and Use. The Vendee, so long as an event of default shall not have occurred and be continuing under this Agreement, shall be entitled, from and after delivery of the Equipment by the Builder to the Vendee, to the possession of the Equipment and the use thereof, but only upon and subject to all the terms and conditions of this Agreement.

The Vendee may only lease the Equipment to the Lessee as permitted by, and for use as provided in, the Lease, but the rights of the Lessee and its permitted assigns under the

Lease shall at all times be subordinated and junior in rank to the rights, and shall be subject to the remedies, of the Vendor under this Agreement; provided, however, that so long as the Lessee shall not be in default under the Lease or under this Agreement, the Lessee shall be entitled to the possession and use of the Equipment; and provided further, that no unit of Equipment may be delivered to, or accepted or used by, the Lessee under the Lease prior to the settlement for such unit on the Closing Date therefor, as provided in Article 4 hereof. The Vendee hereby agrees that it will not exercise any of the remedies permitted in the case of an Event of Default under the Lease until the Vendor shall have received notice in writing of the Vendee's intended exercise thereof, and hereby further agrees to furnish to the Vendor copies of all summonses, writs, processes and other documents served by the Vendee upon the Lessee or served by the Lessee upon it in connection therewith. The Lease shall not be amended, modified, or terminated (except in accordance with its terms) without the prior written consent of the Vendor.

ARTICLE 13. Prohibition Against Liens. The Vendee will pay or discharge any and all sums claimed by any party from, through or under the Vendee or its successors or assigns which, if unpaid, might become a lien, charge, security interest or other encumbrance on or with respect to the Equipment, or any unit thereof, equal or superior to the Vendor's security interest therein, and will promptly discharge any such lien, charge, security interest or other encumbrance which arises; provided, however, that the Vendee shall not be required to pay or discharge any such claim so long as the validity thereof shall be contested in good faith and by appropriate legal proceedings in any reasonable manner and the nonpayment thereof does not, in the reasonable opinion of the Vendor, adversely affect the security interest of the Vendor in or to the Equipment or otherwise adversely affect its rights under this Agreement. Any amounts paid by the Vendor in discharge of liens, charges, security interests or other encumbrances upon the Equipment shall be secured by and under this Agreement.

This covenant will not be breached by reason of the existence of liens for taxes, assessments or governmental charges or levies, in each case so long as not due and delinquent, or undetermined or inchoate materialmen's, mechanics', workmen's, repairmen's or other like liens arising in the ordinary course of business and, in each case, not delinquent.

ARTICLE 14. Indemnities and Warranties. The Vendee agrees to indemnify, protect and hold harmless the Vendor from and against all losses, damages, injuries, liabilities, claims and demands whatsoever, regardless of the cause thereof, and expenses in connection therewith, including counsel fees and expenses, penalties and interest, arising

out of or as the result of the entering into or the performance of this Agreement, the retention by the Vendor of a security interest in the Equipment, the ordering, acquisition, use, operation, condition, purchase, delivery, rejection, storage or return of any of the Equipment, any accident in connection with the operation, use, condition, possession, storage or return of any of the Equipment resulting in damage to property or injury or death to any person during the period when the Vendor holds a security interest in the Equipment or arising out of the transfer of the security interest in the Equipment by the Vendor pursuant to any of the provisions of this Agreement, except, however, any losses, damages, injuries, liabilities, claims and demands whatsoever arising out of any tort, breach of warranty or failure to perform any covenant hereunder by the Builder. This covenant of indemnity shall continue in full force and effect notwithstanding the full payment of the indebtedness in respect of the Purchase Price of, and the release of the security interest in, the Equipment, as provided in Article 5, or the termination of this Agreement in any manner whatsoever.

The Builder represents and warrants to the Vendee that, at the time of delivery and acceptance of each unit of the Equipment under this Agreement, the Vendee will have good and marketable title to such unit, free and clear of all claims, liens, security interests and other encumbrances of any nature except only the rights of the Vendor under this Agreement and the rights of the Lessee under the Lease.

The Vendee will bear the responsibility for and risk of, and shall not be released from its obligations hereunder in the event of any damage to or the destruction or loss of any unit of or all the Equipment.

The Builder warrants to the Vendee and the Lessee that the Equipment will be built in accordance with the Specifications, requirements and standards set forth in Article 2 and warrants that the Equipment will be free from defects in material or design and workmanship under normal use and service, the Builder's obligation under this paragraph being limited to repairing or replacing at its plant any part or parts of any unit of the Equipment which shall be returned, within one year after the delivery of such unit to the Vendee, to the Builder with transportation charges prepaid, and which the Builder's examination shall disclose to its satisfaction to have been thus defective. THE FOREGOING WARRANTY OF THE BUILDER IS EXPRESSLY IN LIEU OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, AND OF ALL OTHER OBLIGATIONS OR LIABILITIES OF THE BUILDER EXCEPT UNDER ARTICLES 2, 3, 4 AND 14, and the Builder neither assumes nor authorizes any person to assume for it any other liability in connection with the construc-

tion and delivery of the Equipment except as aforesaid and except as provided in the immediately succeeding paragraph. It is further understood and agreed that in no event shall the Builder be liable for indirect or consequential damages of any kind. The Builder further agrees with the Vendee and the Lessee that neither the inspection as provided in Article 3 nor any examination or acceptance of any units of the Equipment as provided in said Article 3 shall be deemed a waiver or a modification by the Vendee and the Lessee of any of their rights under this Article 14.

The Builder agrees to indemnify, protect and hold harmless the Lessee and the Vendee from and against any and all liability, claims, costs, charges and expenses, including royalty payments and counsel fees, in any manner imposed upon or accruing against the Lessee, the Vendee or their assigns because of the use in or about the construction or operation of any of the Equipment of any design, system, process, formula, combination, article or material which infringes or is claimed to infringe on any patent or other right. In case any of the Equipment is determined to infringe on any patent or other similar right in respect of which liability may be charged against the Builder and the use of any of the Equipment is enjoined, the Builder shall, at its own expense, at its option, either procure for the Vendee and the Lessee the right to continue using such Equipment or replace the same with non-infringing equipment or modify the same so it becomes non-infringing. The Builder agrees to and hereby does, to the extent legally possible without impairing any claim, right or cause of action hereinafter referred to, assign, set over and deliver to the Vendee and the Lessee every claim, right and cause of action which the Builder has or hereafter shall have against the seller or sellers of any designs, systems, processes, formulae, combinations, articles or materials specified by the Vendee or the Lessee and purchased or otherwise acquired by the Builder for use in or about the construction or operation of any of the Equipment on the ground that any such design, system, process, formula, combination, article or material or operation thereof infringes or is claimed to infringe on any patent or other right; and the Builder further agrees to execute and deliver to the Vendee or the Lessee all and every such further assurance as may be reasonably requested by the Vendee or the Lessee more fully to effectuate the assignment and delivery of every such claim, right and cause of action. The Builder will give prompt notice to the Vendee, the Assignee and the Lessee of any claim known to the Builder from which liability may be charged against the Vendee or the Lessee hereunder, and each of the Vendee and the Lessee will give prompt notice to the Builder, the Assignee and to each other of any claim known to any of them from which liability may be charged against the Builder or one of them hereunder. Such covenants of indemnity shall continue in full force and effect notwith-

standing the full payment of all sums due under this Agreement, the satisfaction and discharge of this Agreement or the termination of this Agreement in any manner.

ARTICLE 15. Assignments. The Vendee will not (a) except as provided in Article 12, transfer the right to possession of any unit of the Equipment or (b) sell, assign, transfer or otherwise dispose of its rights under this Agreement unless such sale, assignment, transfer or disposition is made (i) expressly subject in all respects to the rights and remedies of the Vendor hereunder (including, without limitation, rights and remedies against the Vendee and the Lessee) and (ii) to a bank or trust company organized under the laws of the United States or any State thereof, having a capital and surplus aggregating at least \$25,000,000, and such bank or trust company expressly assumes, in writing, in form and substance satisfactory to the Vendor, all of the obligations of the Vendee hereunder. Subject to the preceding sentence, any such sale, assignment, transfer or disposition may be made by the Vendee without the Vendee, assignee or transferee assuming any of the obligations of the Vendee hereunder.

All or any of the rights, benefits and advantages of the Vendor under this Agreement, including the right to receive the payments herein provided to be made by the Vendee, may be assigned by the Vendor and reassigned by any assignee at any time or from time to time; provided, however, that prior to an event of default hereunder no such assignment shall be made to any person other than a recognized financial institution having a net worth, or capital and surplus, as the case may be, of at least \$25,000,000. No such assignment shall subject any assignee to, or relieve the Builder from, any of the obligations of the Builder to construct and deliver the Equipment in accordance herewith or to respond to its warranties and indemnities contained or referred to in Article 14, or relieve the Vendee of its obligations to the Builder under Articles 2, 3, 4, 6 and 14, or any other obligation which, according to its terms and context, is intended to survive an assignment.

Upon any assignment or reassignment referred to in the immediately preceding paragraph, either the assignor or the assignee shall give written notice to the Vendee, together with a counterpart or copy of such assignment, stating the identity and post office address of the assignee, and such assignee shall, by virtue of such assignment, acquire all the assignor's right, title and interest in and to the Equipment and this Agreement, or in and to a portion thereof, as the case may be, subject only to such reservations as may be contained in such assignment. From and after the receipt by the Vendee of the notification of any such assignment, all payments thereafter to be made by the Vendee under this Agreement shall, to the extent so assigned, be made to the assignee in such manner as it may direct.

The Vendee recognizes that it is the custom of railroad equipment manufacturers or sellers to assign agreements of this character and understand that the assignment of this Agreement, or of some of or all the rights of the Vendor hereunder, is contemplated. The Vendee expressly represents, for the purpose of assurance to any person, firm or corporation considering the acquisition of this Agreement or of all or any of the rights of the Vendor hereunder, and for the purpose of inducing such acquisition, that in the event of such assignment by the Vendor, as hereinbefore provided, the rights of such assignee to the entire unpaid indebtedness in respect of the Purchase Price of the Equipment, or such part thereof as may be assigned, together with interest and premium, if any, thereon, as well as any other rights hereunder which may be so assigned, shall not be subject to any defense, set-off, counterclaim or recoupment whatsoever arising out of any breach of any obligation of the Builder in respect of the Equipment, or the manufacture, construction, delivery or warranty thereof, or in respect of any indemnity herein contained, nor subject to any defense, set-off, counterclaim or recoupment whatsoever arising by reason of any other indebtedness or liability at any time owing to the Vendee or the Lessee by the Builder. Any and all such obligations, indebtedness or liability, howsoever arising, shall be and remain enforceable by the Vendee or the Lessee, as the case may be, against and only against the Builder.

In the event of any such assignment by the Vendor or successive assignments, the Vendee will, upon request by the assignee, change the markings on each side of each unit of the Equipment so as to be consistent with the interest of such assignee in the Equipment, to the extent necessary to conform to any requirements of the laws of the jurisdictions in which the Equipment shall be operated. The cost of such markings in the event of an assignment of all the Equipment at the time covered by this Agreement shall be borne by the Vendee, and in the event of an assignment of less than all such Equipment shall be borne by such assignee.

ARTICLE 16. Defaults. In the event that any one or more of the following events of default shall occur and be continuing, to wit:

(a) the Vendee shall fail to pay in full when due any installment of the Conditional Sale Indebtedness (irrespective of any provision of this Agreement limiting the liability of the Vendee), and such default shall continue for 10 days;

(b) the Vendee shall fail to pay in full any sum, other than installments of the Conditional Sale Indebtedness, payable by the Vendee when payment thereof shall be due hereunder (irrespective of any provision of this Agreement limiting the liability of the Vendee), and

such default shall continue for 10 days after written notice from the Vendor to the Vendee and the Beneficiaries specifying such failure of payment and demanding that the same be paid;

(c) the Vendee shall, for more than 20 days after the Vendor shall have demanded performance thereof by written notice to the Lessee, the Vendee and the Beneficiaries, fail or refuse to comply with any other covenant, agreement, term or provision of this Agreement, or of any agreement entered into concurrently herewith relating to the financing or lease of the Equipment, on the part of the Vendee to be kept or performed or to make provision satisfactory to the Vendor for such compliance, and neither the Vendee nor the Beneficiaries shall have made such provision; or

(d) an Event of Default shall have occurred under the Lease, as defined in Section 11 thereof, and the Vendee shall have not cured the Event of Default as permitted by Section 23 of the Lease;

(e) any proceedings shall be commenced by or against the Vendee, in its capacity as trustee under the Trust Agreement, for any relief under any bankruptcy or insolvency law, or any law relating to the relief of debtors, readjustment of indebtedness, reorganization, arrangement, composition or extension, and, if such proceedings have been commenced against the Vendee, such proceedings shall not have been dismissed, nullified, stayed or otherwise rendered ineffective (but then only so long as such stay shall continue in force or such ineffectiveness shall continue), all of the obligations of the Vendee under this Agreement shall not have been and shall not continue to have been duly assumed in writing, pursuant to a court order or decree, by a trustee or trustees or receiver or receivers appointed (whether or not subject to ratification) for the Vendee or for its respective property in connection with any such proceedings in such manner that such obligations shall have the same status as expenses of administration incurred by such trustee or trustees or receiver or receivers, within 60 days after such appointment, if any, or 60 days after such proceedings shall have been commenced, whichever is earlier, or the Vendee shall make a general assignment for the benefit of creditors or shall admit in writing its inability to pay its debts generally as they become due; or

(f) the Vendee shall make or suffer any unauthorized assignment or transfer of this Agreement or any interest herein or any unauthorized transfer of the right to possession of any unit of the Equipment;

then at any time after the occurrence of such an event of default the Vendor may, upon written notice to the Vendee and the Lessee and upon compliance with any legal requirements then in force and applicable to such action by the Vendor, (i) subject to the rights of the Lessee set forth in Article 12, cause the Lease immediately (upon such notice) to terminate (and the Vendee acknowledges the right of the Vendor to terminate the Lease); provided, however, that in no case shall there be a default under this Agreement where the Agent has received all monies which are due, but has failed to transmit the same; and provided further that such termination shall not be in derogation of or impair the rights of the Vendee (or any assignee of the Vendee's rights in the Lease) to enforce compliance by the Lessee with any of its covenants and agreements under the Lease or to enforce any of its rights and remedies under Section 11 of the Lease (subject to the Vendor's rights to repossess and sell the Equipment as provided in this Agreement), including the rights of the Vendee to sue for and recover damages provided for in Section 11 of the Lease upon the occurrence of an Event of Default under the Lease, and/or (ii) declare (hereinafter called a Declaration of Default) the entire unpaid Conditional Sale Indebtedness, together with the interest thereon then accrued and unpaid, immediately due and payable, without further demand, and thereafter the aggregate of the unpaid balance of such indebtedness and interest shall bear interest from the date of such Declaration of Default at the rate per annum specified in Article 4 as being applicable to amounts remaining unpaid after becoming due and payable, to the extent legally enforceable. Upon a Declaration of Default, the Vendor, subject to the last paragraph of Article 4 and Article 22, shall be entitled to recover judgment for the entire unpaid balance of the Conditional Sale Indebtedness so payable, with interest as aforesaid, and to collect such judgment out of any property of the Vendee wherever situated. The Vendee shall promptly notify the Vendor if it has actual knowledge of any event which constitutes, constituted, or with notice, demand and/or lapse of time could constitute, an event of default under this Agreement and the action taken or proposed to be taken with respect thereto.

The Vendor may, at its election, waive any such event of default and its consequences and rescind and annul any Declaration of Default or notice of termination of the Lease by notice to the Vendee and the Lessee in writing to that effect, and thereupon the respective rights of the parties shall be as they would have been if no such event of default had occurred and no Declaration of Default or notice of termination of the Lease had been made or given. Notwithstanding the provisions of this paragraph, it is expressly understood and agreed by the Vendee that time is of the essence of this Agreement and that no such waiver, rescission or annulment shall extend to or affect any other or subsequent default or impair any rights or remedies consequent thereon.

ARTICLE 17. Remedies. At any time during the continuance of a Declaration of Default, the Vendor may, subject to Article 12, and compliance with any mandatory requirements of law then in force and applicable to the action to be taken by the Vendor, take or cause to be taken by its agent or agents immediate possession of the Equipment, or one or more of the units thereof, without liability to return to the Vendee any sums theretofore paid and free from all claims whatsoever, except as hereinafter in this Article 17 expressly provided, and may remove the same from the possession and use of the Vendee or any other person having such possession and use and for such purpose may enter upon the premises of the Lessee (to the extent permitted by the Lease) or the Vendee or any other premises where the Equipment may be located and may use and employ in connection with such removal any supplies, services and aids and any available trackage and other facilities or means of the Vendee.

In case the Vendor shall rightfully demand possession of the Equipment pursuant to this Agreement and shall designate a reasonable point or points for the delivery of the Equipment to the Vendor, the Vendee shall (subject to the rights of the Lessee set forth in Article 12), at the Vendee's expense, forthwith and in the usual manner, cause the Equipment to be moved to such point or points and shall there deliver the Equipment or cause it to be delivered to the Vendor. At the option of the Vendor, the Vendor may keep the Equipment, at the expense of the Vendee, on any lines of railroad or premises approved by the Vendor until the Vendor shall have leased, sold or otherwise disposed of the same. The agreement to deliver the Equipment as hereinbefore provided is of the essence of this Agreement, and, upon application to any court of equity having jurisdiction in the premises, the Vendor shall be entitled to a decree against the Vendee and/or the Lessee requiring specific performance hereof. The Vendee hereby expressly waives any and all claims against the Vendor and its agent or agents for damages of whatever nature in connection with any retaking of any unit of the Equipment in any reasonable manner.

At any time during the continuance of a Declaration of Default, the Vendor (after retaking possession of the Equipment as hereinbefore in this Article 17 provided) may, at its election and upon such notice as is hereinafter set forth, retain the Equipment in satisfaction of the Conditional Sale Indebtedness and make such disposition thereof as the Vendor shall deem fit. Written notice of the Vendor's election to retain the Equipment shall be given to the Vendee and the Lessee by telegram or registered mail, addressed as provided in Article 21, and to any other persons to whom the law may require notice, within 30 days after such election. In the event that the Vendor should elect to

retain the Equipment, all the Vendee's rights in the Equipment shall thereupon terminate and all payments made by the Vendee and the Lessee may be retained by the Vendor as compensation for the use of the Equipment; provided, however, that if the Vendee, before the expiration of the 30-day period described in the next proviso, should pay or cause to be paid to the Vendor the total unpaid balance of the Conditional Sale Indebtedness, together with interest thereon accrued and unpaid and all other payments due under this Agreement, then in such event absolute right to the possession of, title to and property in the Equipment shall pass to and vest in the Vendee; and provided further, that if the Vendee, any Beneficiary, the Lessee or any other persons notified under the terms of this paragraph object in writing to the Vendor within 30 days from the receipt of notice of the Vendor's election to retain the Equipment, then the Vendor may not so retain the Equipment, but shall sell, lease or otherwise dispose of it or continue to hold it pending sale, lease or other disposition as hereinafter provided or as may otherwise be permitted by law. If the Vendor shall not have given notice to retain as hereinabove provided or notice of intention to dispose of the Equipment in any other manner, it shall be deemed to have elected to sell the Equipment in accordance with the provisions of this Article 17.

At any time during the continuance of a Declaration of Default, the Vendor, with or without retaking possession of the Equipment, at its election and upon reasonable notice to the Vendee, any Beneficiary, the Lessee and any other persons to whom the law may require notice of the time and place, may, subject to the rights of the Lessee set forth in Article 12, sell the Equipment, or one or more units thereof, free from any and all claims of the Vendee, the Lessee or any other person claiming from, through or under the Vendee or the Lessee at law or in equity, at public or private sale and with or without advertisement, as the Vendor may determine; provided, however, that if, prior to such sale and prior to the making of a contract for such sale, the Vendee should tender full payment of the total unpaid balance of the Conditional Sale Indebtedness together with interest thereon accrued and unpaid and all other payments due under this Agreement, as well as the expenses of the Vendor in retaking possession of, removing, storing, holding and preparing the Equipment for, and otherwise arranging for, such sale and the Vendor's reasonable attorney's fees, then in such event absolute right to the possession of, title to and property in the Equipment shall pass to and vest in the Vendee. The proceeds of any sale or other disposition, less the attorneys' fees and any other expenses incurred by the Vendor in retaking possession of, removing, storing, holding, preparing for sale and selling or otherwise disposing of the Equipment, shall be credited to the amount due the Vendor under the provisions of this Agreement.

Any sale hereunder may be held or conducted at Oklahoma City, Oklahoma or at such other place or places and at such time or times as the Vendor may specify, in one lot and as an entirety or in separate lots, and without the necessity of gathering at the place of sale the property to be sold, and in general in such manner as the Vendor may determine, so long as such sale shall be in a commercially reasonable manner. The Vendee, the Lessee and all other persons to whom the law requires notice shall be given written notice of such sale not less than 30 days prior thereto, by telegram or registered mail, addressed as provided in Article 21. If such sale is to be a private sale, it shall be subject to the rights of the Vendee, any Beneficiary and the Lessee to purchase or provide a purchaser, within 10 days prior to the proposed sale date, at the same price offered by the intending purchaser or a better price. The Vendor, the Vendee or the Lessee may bid for and become the purchaser of the Equipment, or any unit thereof, so offered for sale. In the event that the Vendor shall be the purchaser thereof, it shall not be accountable to the Vendee or the Lessee (except to the extent of surplus money received as hereinafter provided in this Article 17), and in payment of the purchase price therefor the Vendor shall be entitled to have credited on account thereof all sums due to the Vendor hereunder.

Each and every power and remedy hereby specifically given to the Vendor shall be in addition to every other power and remedy hereby specifically given or now or hereafter existing at law or in equity, and each and every power and remedy may be exercised from time to time and simultaneously and as often and in such order as may be deemed expedient by the Vendor. All such powers and remedies shall be cumulative, and the exercise of one shall not be deemed a waiver of the right to exercise any other or others. No delay or omission of the Vendor in the exercise of any such power or remedy, and no renewal or extension of any payments due hereunder, shall impair any such power or remedy or shall be construed to be a waiver of any default or an acquiescence therein. Any extension of time for payment hereunder or other indulgence duly granted to the Vendee or the Lessee shall not otherwise alter or affect the Vendor's rights or the Vendee's obligations hereunder. The Vendor's acceptance of any payment after it shall have become due hereunder shall not be deemed to alter or affect the Vendee's obligations or the Vendor's rights hereunder with respect to any subsequent payments or default therein.

If, after applying all sums of money realized by the Vendor under the remedies herein provided, there shall remain any amount due to it under the provisions of this Agreement, the Vendee shall pay the amount of such deficiency to the Vendor upon demand; and if the Vendee shall fail to pay such deficiency, the Vendor may bring suit

therefor and shall be entitled to recover a judgment therefor against the Vendee. If, after applying as aforesaid all sums realized by the Vendor, there shall remain a surplus in the possession of the Vendor, such surplus shall be paid to the Vendee.

The Vendee will pay all reasonable expenses, including attorneys' fees, incurred by the Vendor in enforcing its remedies under the terms of this Agreement. In the event that the Vendor shall bring any suit to enforce any of its rights hereunder and shall be entitled to judgment, then in such suit the Vendor may recover reasonable expenses, including reasonable attorneys' fees, and the amount thereof shall be included in such judgment.

The foregoing provisions of this Article 17 are subject in all respects to all mandatory requirements of law at the time in force and applicable thereto.

ARTICLE 18. Severability and Applicable Laws. Any provision of this Agreement prohibited or unenforceable by any applicable law of any jurisdiction shall as to such jurisdiction be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction. Where, however, the conflicting provisions of any such applicable law may be waived, they are hereby waived by the Vendee to the full extent permitted by law, to the end that this Agreement shall be deemed to be a conditional sale and enforced as such.

Except as otherwise provided in this Agreement, the Vendee, to the full extent permitted by law, hereby waives all statutory or other legal requirements for any notice of any kind, notice of intention to take possession of or to sell or lease the Equipment, or one or more units thereof, and any other requirements as to the time, place and terms of the sale or lease thereof, any other requirements with respect to the enforcement of the Vendor's rights under this Agreement and any and all rights of redemption.

ARTICLE 19. Recording. The Vendee will cause this Agreement, any assignments hereof and any amendments or supplements hereto or thereto to be filed and recorded with the Interstate Commerce Commission in accordance with 49 U.S.C. §11303; and the Vendee will from time to time do and perform any other act and will execute, acknowledge, deliver, file, register, deposit and record any and all further instruments required by law or reasonably requested by the Vendor for the purpose of proper protection, to the satisfaction of counsel for the Vendor, of its security interest in the Equipment and its rights under this Agreement or for

the purpose of carrying out the intention of this Agreement; and the Vendee or the Lessee will promptly furnish to the Vendor certificates or other evidence of such filing, registering, depositing and recording satisfactory to the Vendor.

ARTICLE 20. Article Headings; Effect and Modification of Agreement. All article headings are inserted for convenience only and shall not affect any construction or interpretation of this Agreement.

This Agreement, including the Annexes hereto, and the Participation Agreement exclusively and completely states the rights of the Vendor and the Vendee hereunder with respect to the Equipment and supersedes all other agreements, oral or written, with respect thereto. No variation or modification of this Agreement and no waiver of any of its provisions or conditions shall be valid unless in writing and signed by duly authorized representatives of the Vendor and the Vendee.

ARTICLE 21. Notices. Any notice hereunder to any of the persons designated below shall be deemed to have been properly served if delivered personally or if mailed, when mailed registered mail postage prepaid, at the following specified addresses:

(a) To the Builder, Thrall Car Manufacturing Company, Post Office Box 218, Chicago Heights, Illinois 60401, attention of Vice President-Finance, with a copy to Carroll, Hartigan & Hillery, Ltd., One North LaSalle Street, Chicago, Illinois 60602, attention of John M. Hartigan;

(b) To the Assignee, The First National Bank and Trust Company of Oklahoma City, as Agent, P.O. Box 25189, Oklahoma City, Oklahoma 73125, attention of Jake L. Riley, Senior Vice President and Trust Officer;

(c) To the Vendee, by mail, Mercantile-Safe Deposit and Trust Company, as Trustee, P.O. Box 2258, Baltimore, Maryland, attention of Corporate Trust Department; by all other means, Mercantile-Safe Deposit and Trust Company, as Trustee, 2 Hopkins Plaza, Baltimore, Maryland 21201, attention of Corporate Trust Department;

(d) To the Lessee, Oklahoma Gas and Electric Company, 321 North Harvey Avenue, Oklahoma City, Oklahoma 73101, attention of Treasurer;

(e) To the Beneficiaries, at their addresses set forth in Paragraph 15 of the Participation Agreement;

(f) To any other assignee of the Vendor or of the Vendee, at such address as may have been furnished in writing to the other parties hereto by such assignee;

or to such other address as may have been furnished in writing by such person to the other parties to this Agreement and shall be deemed to have been given for all purposes under this Agreement on the date of such delivery or mailing.

ARTICLE 22. Immunities of Certain Individuals; Satisfaction of Undertakings. No recourse shall be had in respect of any obligation due under this Agreement, or referred to herein, against any incorporator, stockholder, director or officer, past, present or future, of the Builder, the Vendor, the Vendee or any Beneficiary, whether by virtue of any constitutional provision, statute or rule of law, or by enforcement of any assessment or penalty or otherwise, all such liability, whether at common law, in equity, by any constitutional provision, statute or otherwise, of such incorporators, stockholders, directors or officers being forever released as a condition of and as consideration for the execution of this Agreement.

The obligations of the Vendee under the second, seventh and eighth paragraphs of Article 17 and under Articles 3, 6, 7 (other than the second and third sentences of the second paragraph thereof), 9, 10, 11, 13, 14, 15, and 19 shall be deemed in all respects satisfied by the Lessee's undertakings contained in the Lease. The Vendee shall not have any responsibility for the Lessee's failure to perform such obligations, but if the same shall not be performed they shall constitute the basis for an event of default pursuant to Article 16, provided that the failure of the Lessee to perform such obligations shall not constitute an event of default hereunder unless and until the Lessee is declared to be in default under the Lease. No waiver or amendment of the Lessee's undertakings under the Lease shall be effective unless joined in by the Vendor.

It is expressly understood and agreed by and between the parties hereto that, anything herein to the contrary notwithstanding: (i) each and all of the representations, undertakings and agreements herein made on the part of the Vendee are each and every one of them made and intended not as personal representations, undertakings and agreements by the Vendee, or for the purpose or with the intention of binding the Vendee personally, but are made and intended for the purpose of binding only the Trust Estate (as such term is used in the Trust Agreement); (ii) this Agreement is executed and delivered by the Vendee solely in the exercise of the powers expressly conferred upon the Vendee as Trustee under the Trust Agreement; and (iii) no personal liability or personal responsibility is assumed by or shall at any time be asserted or enforceable against the Vendee or any of the Beneficiaries on account of any representation, undertaking or agreement of the Vendee, either expressed or implied, all such personal liability, if any, being expressly waived and released by the Vendor and by all persons

claiming by, through or under the Vendor; provided, however, that the Vendor or any person claiming by, through or under the Vendor may look to the Trust Estate for satisfaction of the same.

ARTICLE 23. Law Governing. The terms of this Agreement and all rights and obligations hereunder shall be governed by the laws of the State of Illinois; provided, however, that the parties shall be entitled to all rights conferred by 49 U.S.C. §11303 and such additional rights arising out of the filing, recording, registering or depositing, if any, of this Agreement or of any assignment hereof as shall be conferred by the laws of the several jurisdictions in which this Agreement or any assignment hereof shall be filed, recorded, registered or deposited.

ARTICLE 24. Execution. This Agreement may be executed in any number of counterparts, each of which so executed shall be deemed to be an original, and such counterparts together shall constitute but one and the same instrument, which shall be sufficiently evidenced by any such original counterpart. Although this Agreement is dated as of January 1, 1980 for convenience, the actual date or dates of execution hereof by the parties hereto is or are, respectively, the date or dates stated in the acknowledgments hereto annexed.

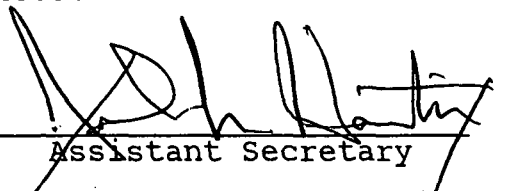

IN WITNESS WHEREOF, the parties hereto, each pursuant to due corporate authority, have caused this Agreement to be signed in their respective corporate names by duly authorized officers and their respective corporate seals to be hereunto affixed and duly attested, all as of the date first above written.

LEASE OF RAILROAD EQUIPMENT dated as of January 1, 1980 between MERCANTILE-SAFE DEPOSIT AND TRUST COMPANY, as Trustee (hereinafter, together with its successors and assigns, called the Lessor) under a Trust Agreement dated as of the date hereof (hereinafter called the Trust Agreement) with WELLS FARGO EQUIPMENT LEASING CORPORATION and MARK TWAIN LEASING COMPANY (hereinafter called collectively the Beneficiaries and individually a Beneficiary), and OKLAHOMA GAS AND ELECTRIC COMPANY (hereinafter called the Lessee).

WHEREAS, the Lessor has entered into a Conditional Sale Agreement dated as of the date hereof (hereinafter called the Conditional Sale Agreement) with THRALL CAR MANUFACTURING COMPANY (hereinafter called the Builder) covering the construction, sale and delivery, on the conditions therein set forth, by the Builder and the purchase by the Lessor of the railroad equipment described in Annex A hereto (hereinafter called the Equipment);

WHEREAS, the Builder and THE FIRST NATIONAL BANK AND TRUST COMPANY OF OKLAHOMA CITY, as Agent (hereinafter called the Assignee) under a Participation Agreement dated as of the date hereof (hereinafter called the Participation Agreement) with the Lessee, the Builder, the Beneficiaries and the Investors named therein, have entered into an Agreement and Assignment dated as of the date hereof (hereinafter called the Assignment) assigning to the Assignee the right, security title and interest of the Builder under the Conditional Sale Agreement as security for the payment of the Conditional Sale Indebtedness (as defined in the Conditional Sale Agreement);

WHEREAS, the Lessee desires to lease all the units of the Equipment, or such lesser number as are delivered, accepted and settled for under the Conditional Sale Agreement, at the rentals, for the terms and upon the conditions hereinafter stated (such number of units as are delivered, accepted and settled for under the Conditional Sale Agreement being hereinafter called the Units); and

WHEREAS, in order to provide further security for the payment of the Conditional Sale Indebtedness and as an inducement to the Investors to invest in the Conditional Sale Indebtedness, the Lessor will, concurrently with its execution and delivery of this Lease, enter into an Assignment of Lease and Agreement dated as of the date hereof (hereinafter called the Lease Assignment) with the Assignee assigning for security purposes certain of its rights in, to and under this Lease to the Assignee;

NOW, THEREFORE, in consideration of the premises and of the rentals to be paid and the covenants hereinafter mentioned to be kept and performed by the Lessee, the Lessor hereby leases the Units to the Lessee upon the following terms and conditions:

SECTION 1. Net Lease. This Lease is a net lease and the Lessee shall not be entitled to any abatement of rent, reduction thereof or set-off against rent, including, but not limited to, abatements, reductions or set-offs due or alleged to be due by reason of any past, present or future claims of the Lessee against the Lessor under this Lease or otherwise; nor, except as otherwise expressly provided herein, shall this Lease terminate, or the respective obligations of the Lessor or the Lessee be otherwise affected, by reason of any defect in or failure of title of the Lessor to any of the Units or damage to or loss of possession or loss of use or destruction of all or any of the Units from whatsoever cause, any liens, encumbrances or rights of others with respect to any of the Units, the prohibition of or other restriction against the Lessee's use of all or any of the Units, the taking or requisitioning of any of the Units by condemnation or otherwise, the interference with such use by any person or entity, the invalidity or unenforceability or lack of due authorization of this Lease, any insolvency of or the bankruptcy, reorganization or similar proceeding against the Lessee, or for any other cause whether similar or dissimilar to the foregoing, any present or future law to the contrary notwithstanding, it being the intention of the parties hereto that the rents and other amounts payable by the Lessee hereunder shall continue to be payable in all events in the manner and at the times herein provided unless the obligation to pay the same shall be terminated pursuant to the express provisions of this Lease. To the extent permitted by applicable law, the Lessee hereby waives any and all rights which it may now have or which at any time hereafter may be conferred upon it, by statute or otherwise, to terminate, cancel, quit or surrender the lease of any of the Units except in accordance with the express terms hereof. Each rental or other payment made by the Lessee hereunder shall be final, and the Lessee shall not seek to recover all or any part of such payment from the Lessor for any reason whatsoever.

SECTION 2. Delivery and Acceptance of Units. The Lessor hereby appoints the Lessee as its agent for the inspection and acceptance of, and the approval of all invoices relating to, the Units pursuant to the Conditional Sale Agreement and the Assignment. Each Unit is to be delivered to the Lessee, acting as such agent of the Lessor, by the Builder under the Conditional Sale Agreement at the place of delivery designated in the Conditional Sale Agreement and in Annex A hereto. As provided in Article 3 of the Conditional Sale Agreement, each Unit is to be delivered, inspected and accepted concurrently with the settlement therefor on the Closing Date for such Unit pursuant to Article 4 of the Conditional Sale Agreement. Upon such delivery on such Closing Date, the Lessee will cause an employee of the Lessee or an authorized representative of the Lessee to inspect the same and, if such Unit is found to

be acceptable, to accept delivery of such Unit on such Closing Date on behalf of the Lessor under the Conditional Sale Agreement and on its own behalf hereunder and execute and deliver to the Lessor and the Builder a certificate of acceptance (hereinafter called a Certificate of Acceptance), in accordance with the provisions of Article 3 of the Conditional Sale Agreement, stating that such Unit has been inspected and accepted on behalf of the Lessee and the Lessor on such Closing Date and is marked in accordance with Section 5, whereupon such Unit shall be deemed to have been delivered to and accepted by the Lessee and shall thereafter be subject to all the terms and conditions of this Lease, and the Lessee may, upon, but not prior to, completion of the settlement for such Unit in accordance with Article 4 of the Conditional Sale Agreement commence its use of such Unit pursuant to Section 13 hereof.

SECTION 3. Rentals. The Lessee agrees to pay to the Lessor, as rental for each Unit subject to this Lease, 31 consecutive semi-annual payments on January 10 and July 10 in each year, commencing July 10, 1980. The rental payment due on July 10, 1980 shall be in an amount equal to .032787% of the Purchase Price (as defined in the Conditional Sale Agreement) of each Unit then subject to this Lease for each day elapsed from the Closing Date (as defined in the Conditional Sale Agreement) for such Unit computed on the basis of the actual number of days elapsed between such dates on a calendar year basis, to and including the date of such payment. The next 30 semi-annual rental payments shall each be in an amount equal to 4.8578% of the Purchase Price of each Unit then subject to this Lease. The foregoing rental rates have been calculated on the assumption that the Units will be placed under this Lease in accordance with the schedule and at the dates set forth at Annex A hereto. If for any reason there is a material deviation in the dates the Units are placed under this Lease from the delivery schedule set forth in Annex A hereto, the Lessor and the Lessee agree that the rentals payable hereunder and the Casualty Value percentages set forth in Section 7 hereof will be adjusted, if necessary in the Lessor's reasonable opinion, in order that the Lessor's net after-tax annual rate of return (computed on the same assumptions, including, without limitation, tax rates, as were utilized by the Lessor in establishing the rental rate for this transaction) will not be increased or decreased by reason thereof; provided, however, that the rentals and Casualty Value percentages, as so adjusted, shall be sufficient to satisfy the obligations of the Lessor under the Conditional Sale Agreement, notwithstanding any limitation of liability contained therein.

If any of the semi-annual rental payment dates referred to above is not a Business Day (as defined in Article 4 of the Conditional Sale Agreement) the semi-annual rental payment otherwise payable on such date shall be payable on the next following Business Day.

The Lessee agrees to pay to the Lessor as supplemental rental hereunder (i) the amounts, if any, required to be paid by it pursuant to the fourth paragraph of Paragraph 1 and the fourth paragraph of Paragraph 4 of the Participation Agreement at the times therein provided and (ii) as and when requested by the Lessor, such amounts as shall then be due under the last sentence of Section 20.

The Lessor irrevocably instructs the Lessee to make all the payments provided for in this Lease at the principal office of the Assignee until the Assignee shall have been paid the full Conditional Sale Indebtedness (as defined in the Conditional Sale Agreement), for the account of the Lessor, in care of the Assignee, with instructions to the Assignee first to apply such payments to satisfy the obligations of the Lessor under the Conditional Sale Agreement known to the Assignee to be due and payable on the date such payments are due and payable hereunder and thereunder and second, so long as no event of default under the Conditional Sale Agreement shall have occurred and be continuing, to pay any balance by wire transfer of immediately available funds on the date so received to the Lessor at such address as may be specified by the Lessor in writing, unless and until the Lessor shall otherwise direct the Assignee in writing. The Lessee agrees to make each payment provided for herein as contemplated by this paragraph by 10:00 A.M., Oklahoma City time, in federal funds current on the date when and in the city where such payment is to be made.

SECTION 4. Term of Lease. The term of this Lease as to each Unit shall begin on the date of delivery and acceptance of such Unit hereunder in accordance with the provisions of Section 2 hereof and, subject to the provisions of Sections 7, 8, 11 and 14, shall terminate on the date on which the final payment of rent in respect thereof is due pursuant to Section 3.

Anything herein to the contrary notwithstanding, all rights and obligations of the Lessee under this Lease and in and to the Units are subject to the rights of the Assignee under the Conditional Sale Agreement and the Assignment. Subject only to the rights of the Lessor against the Lessee referred to in Article 16 of the Conditional Sale Agreement, if an Event of Default shall occur and be continuing under the Conditional Sale Agreement, the Assignee may terminate this Lease (or rescind its termination), all as provided herein, unless the Lessee is not in default under this Lease.

SECTION 5. Identification Marks. The Lessee will cause each Unit to be kept numbered with an identifying number as set forth in Annex A hereto, or in the case of any Unit not there listed such identifying number as shall be set forth in any amendment or supplement hereto extending

this Lease to cover such Unit, and will keep and maintain, plainly, distinctly, permanently and conspicuously marked on each side of each Unit, in letters not less than one inch in height, the words "Owned by Mercantile-Safe Deposit and Trust Company, as Trustee for Wells Fargo Equipment Leasing Corporation and Mark Twain Leasing Company. Ownership Subject to a Security Agreement Filed with the Interstate Commerce Commission", with appropriate changes thereof and additions thereto as from time to time may be required by applicable rules, regulations and laws, including, but not limited to, the rules and regulations of the Association of American Railroads, in order to protect the Lessor's and the Assignee's title to and property interest in such Unit and the rights of the Lessor under this Lease and of the Assignee under the Conditional Sale Agreement.

In the event that the Lessor shall become obligated to change any markings on any Unit or to incur any cost in connection therewith pursuant to Article 15 of the Conditional Sale Agreement, the Lessee shall, at the request of the Lessor, make such marking changes and pay to the Lessor such additional amounts as will enable the Lessor to fulfill such obligations under said Article 15. The Lessee will not place any such Unit in operation or exercise any control or dominion over the same until such markings shall have been made thereon and will replace promptly any such markings which may be removed, defaced, obliterated or destroyed. The Lessee will not change the identifying number of any Unit unless and until (i) a statement of new number or numbers to be substituted therefor shall have been filed with the Assignee and the Lessor and filed, recorded, registered and deposited by the Lessee in all public offices where this Lease and the Conditional Sale Agreement shall have been filed, recorded, registered and deposited and (ii) the Lessee shall have furnished to the Assignee and the Lessor an opinion of counsel for the Lessee with respect thereto satisfactory to the Assignee and the Lessor.

Except as provided in the immediately preceding paragraph, the Lessee will not allow the name of any person, association or corporation to be placed on any Unit as a designation that might be interpreted as a claim of ownership; provided, however, that the Units may be lettered with the names or initials or other insignia customarily used by the Lessee.

SECTION 6. Taxes. All payments to be made by the Lessee hereunder will be free of expense to the Lessor for collection or other charges and will be free of expense to the Lessor with respect to the amount of any local, state, federal or foreign taxes (other than any United States federal income tax and, to the extent that the Lessor receives credit therefor against its United States federal income tax liability, any foreign income tax payable by the

Lessor in consequence of the receipt of payments provided herein and other than the aggregate of all state and city income taxes and franchise taxes measured by net income or gross income or gross receipts taxes based on such receipts other than gross receipts taxes in the nature of sales or use taxes, up to the amount of any such taxes which would have been payable to states and political subdivisions thereof by the Beneficiaries without regard to this Lease, the Participation Agreement, the Conditional Sale Agreement and the transactions contemplated therein, except any such tax which is in substitution for or relieves the Lessee from the payment of taxes which it would otherwise be obligated to pay or reimburse as herein provided), assessments, documentary stamp taxes, or license fees and any charges, fines or penalties in connection therewith (hereinafter called collectively Impositions) now or hereafter levied or imposed upon or in connection with or measured by this Lease or any sale, rental, use payment, shipment, delivery or transfer of title under the terms hereof or the Conditional Sale Agreement or any assignment hereof or thereof, all of which Impositions the Lessee assumes and agrees to pay on demand in addition to the payments to be made by it provided for herein. The Lessee will also pay promptly all Impositions which may be imposed upon any Unit or for the use or operation thereof or upon the earnings arising therefrom or upon the Lessor solely by reason of its ownership thereof and will keep at all times all and every part of such Unit free and clear of all Impositions which might in any way affect the title of the Lessor or result in a lien upon any such Unit; provided, however, that the Lessee shall be under no obligation to pay any Impositions so long as it is contesting in good faith and by appropriate legal proceedings such Impositions and the nonpayment thereof does not, in the advance opinion of the Lessor, adversely affect the title, property or rights of the Lessor hereunder or the rights of the Assignee under the Conditional Sale Agreement. If any Impositions shall have been charged or levied against the Lessor or the Assignee directly and paid by the Lessor, the Lessee shall reimburse the Lessor or the Assignee on presentation of an invoice therefor.

In the event that the Lessor shall become obligated to make any payment to the Builder or the Assignee pursuant to Article 6 of the Conditional Sale Agreement not covered by the foregoing paragraph of this Section 6, the Lessee shall pay such additional amounts (which shall also be deemed Impositions hereunder) to the Lessor as will enable the Lessor to fulfill completely its obligations pursuant to said Article 6.

The amount which the Lessee shall be required to pay in accordance with this Section 6 shall be an amount which, after deduction of all taxes and other charges in respect of the receipt of such amount under the laws of any federal,

state or local governmental or taxing authority in the United States or under the laws of any foreign country or subdivision or any taxing authority thereof or therein, is sufficient (in the reasonable opinion of the Lessor who may take into account each Beneficiary's tax position, but without the utilization of any tax benefit of any Beneficiary not attributable to the receipt of such amount except to the extent that any such tax benefit would in the opinion of the Beneficiary to whom it belongs otherwise expire unused) to restore the Lessor and each Beneficiary to the same after-tax position that they would have been in had the Impositions giving rise to such payments not been imposed. The amount to be paid to the Lessor pursuant to the preceding sentence shall be determined by the Lessor whose good faith determination shall be conclusive.

In the event any reports with regard to Impositions are required to be made on the basis of individual Units or otherwise, the Lessee will, where permitted to do so under applicable rules or regulations, make and timely file such reports in such manner as to show the interests of the Lessor and the Builder or the Assignee in the Units as shall be satisfactory to the Lessor and the Assignee or, where not so permitted, will notify the Lessor and the Assignee of such requirement and will prepare and deliver such reports to the Lessor and the Assignee within a reasonable time prior to the time such reports are to be filed in such manner as shall be satisfactory to the Lessor, the Beneficiaries and the Assignee.

In the event that, during the term of this Lease, including any renewal thereof, the Lessee becomes liable for the payment or reimbursement of any Impositions, pursuant to this Section 6, such liability shall continue, notwithstanding the expiration of this Lease, until all such Impositions are paid or reimbursed by the Lessee.

SECTION 7. Payment for Casualty Occurrences; Insurance.
In the event that any Unit shall become lost, stolen, destroyed, irreparably damaged from any cause whatsoever or taken or requisitioned by condemnation or otherwise by the United States Government for a stated period which shall exceed the then remaining term of the Lease or for an indefinite period, but only in the case of an indefinite period, after such taking or requisition continues for a period of one year, or by any other governmental entity resulting in loss of possession by the Lessee for a period of one year during the term of this Lease (such occurrences being hereinafter called Casualty Occurrences), the Lessee shall promptly and fully notify the Lessor and the Assignee with respect thereto. On the rental payment date next succeeding such notice, the Lessee shall pay to the Lessor an amount equal to the rental payment or payments in respect to such Unit not theretofore paid and which are due and payable on

or prior to such date plus a sum equal to the Casualty Value (as hereinafter defined) of such Unit as of the date of such payment in accordance with the schedule set out below. Upon (but not prior to) the making of such payments by the Lessee in respect of any Unit, the rental for such Unit shall thereafter cease to accrue, the term of this Lease as to such Unit shall terminate and the Lessor shall be entitled to recover possession of such Unit. The Lessor hereby appoints the Lessee as its agent to dispose of any Unit suffering a Casualty Occurrence (including any Unit suffering a Casualty Occurrence during the storage period provided for such Unit in Section 15 hereof) or any component thereof at the best price obtainable on an "as is, where is" basis. If the Lessee shall have previously paid the Casualty Value to the Lessor, the Lessee shall be entitled to the proceeds of such sale to the extent that such proceeds do not exceed the Casualty Value of such Unit, and shall pay any excess to the Lessor.

The Casualty Value of each Unit as of the rental payment date on which payment is to be made as aforesaid shall be that percentage of the Purchase Price of such Unit as is set forth in the following schedule opposite such date:

Whenever any Unit shall suffer a Casualty Occurrence after expiration of this Lease and before such Unit shall have been returned in the manner provided in Section 15 hereof or during the 120 day storage period provided for such Unit in said Section 15, the Lessee shall promptly and fully notify the Lessor with respect thereto and pay to the Lessor an amount equal to 20% of the Purchase Price of such Unit. Upon (but not prior to) the making of such payment by the Lessee in respect of any Unit, the storage period with respect to such Unit shall terminate and the Lessor shall be entitled to recover possession of such Unit.

Except as hereinabove in this Section 7 provided, the Lessee shall not be released from its obligations hereunder in the event of, and shall bear the risk of, any Casualty Occurrence to any Unit from and after delivery and acceptance thereof by the Lessee hereunder.

In the event of the requisition for use by the United States Government or any other governmental entity (hereinafter called the Government) of any Unit during the term of this Lease or any renewal thereof, all of the Lessee's obligations under this Lease with respect to such Unit shall continue to the same extent as if such requisition had not occurred, except to the extent the Lessee's obligations are modified pursuant to the first paragraph of this Section 7 with respect to any such requisition which represents a Casualty Occurrence, as defined therein; provided, however, that if any Unit requisitioned by the Government is returned by the Government at any time after the end of the term of this Lease or any renewal thereof, the Lessee shall be obligated to return such Unit to the Lessor pursuant to Section 12 or Section 15 hereof, as the case may be, promptly upon such return by the Government rather than at the end of the term of this Lease or any renewal thereof, but the Lessee shall in all other respects comply with the provisions of said Section 12 or Section 15, as the case may be, with respect to such Unit. All payments received by the Lessor or the Lessee from the Government for the use of such Unit during the term of this Lease or any renewal thereof shall be paid over to, or retained by, the Lessee provided no Event of Default (or other event which after notice, demand and/or lapse of time would become an Event of Default) shall have occurred and be continuing; and all payments received by the Lessor or the Lessee from the Government for the use of such Unit after the term of this Lease or any renewal thereof, shall, to the extent of the Casualty Value theretofore paid by the Lessee, be paid over to, or retained by the Lessee, and any such amounts paid in excess of such Casualty Value shall be paid over to, or retained by, the Lessor.

The Lessee will, at all times while this Lease is in effect (including during any storage period as described in

Section 12 or Section 15 hereof), at its own expense, cause to be carried and maintained property insurance in respect of the Units at the time subject hereto, and public liability insurance, in amounts and against risks customarily insured against by companies owning property of a similar character and engaged in a business similar to that engaged in by the Lessee, and in any event in amounts and against risks comparable to those insured against by the Lessee on equipment similar to the Units which is owned or leased by the Lessee; provided, however, that in the case of property insurance, the Lessee will be permitted to self-insure to the extent it self-insures property of a similar nature to the Units and to the extent consistent with prudent industry practice. Such insurance, except to the extent the Lessee is permitted to and does self-insure, shall be maintained with insurance companies, underwriters or funds which shall be satisfactory to the Lessor and the Assignee and which shall be authorized to do business in the jurisdictions in which the Units may from time to time be located. At or prior to the date the first Unit is placed under this Lease, the Lessee shall deliver Certificates of Insurance to the Lessor, the Assignee and each Beneficiary which shall provide that the Assignee, the Lessor and the Beneficiaries shall receive not less than 30 days written notice of any cancellations of any of such policies or of any material change in the coverage to be provided thereunder. All such public liability insurance shall protect the Lessee, the Lessor, the Beneficiaries and the Assignee in respect of risks arising out of the condition, maintenance, use, ownership or operation of the Units. All such property insurance shall cover the interests in the Units of the Lessee, the Lessor, the Beneficiaries and the Assignee and shall provide that losses in respect of the Units shall be payable to such insureds as their respective interests may appear; provided that so long as any indebtedness under the Conditional Sale Agreement shall remain unpaid, losses under such property insurance shall be payable to the Assignee under a standard mortgage loss payable clause satisfactory to the Assignee. Any net property insurance proceeds resulting from insurance carried by the Lessee received by the Lessor in respect of Units suffering a Casualty Occurrence shall be deducted from the amounts payable by the Lessee to the Lessor in respect of Casualty Occurrences pursuant to this Section 7. If the Lessor shall receive any such net property insurance proceeds or condemnation payments after the Lessee shall have made payments pursuant to this Section 7 without deduction for such net property insurance proceeds or such condemnation payments, the Lessor shall pay such net property insurance proceeds or condemnation payments to the Lessee up to an amount equal to the Casualty Value with respect to a Unit paid by the Lessee unless an Event of Default or other event which, with notice, demand and/or lapse of time, would constitute such an Event of Default, shall have occurred and be continuing, in which case the amount otherwise payable to

the Lessee may be retained by the Lessor and applied to discharge the liabilities of the Lessee under Section 11. The balance of such net insurance proceeds or condemnation payments shall remain the property of the Lessor. All net insurance proceeds received by the Lessor or the Lessee with respect to a Unit not suffering a Casualty Occurrence shall be applied in payment of the cost of repairing the damage to such Unit, and any balance remaining after the completion of such repairs shall be paid to the Lessee unless an Event of Default or other event which, with notice, demand and/or lapse of time, would constitute an Event of Default, shall have occurred and be continuing, in which case the amount otherwise payable to the Lessee may be retained by the Lessor and applied to discharge the liabilities of the Lessee under Section 11. Except as otherwise hereinabove provided, any condemnation payments received with respect to a Unit not suffering a Casualty Occurrence shall be the property of the Lessor.

Copies of all insurance policies issued pursuant to the provisions of the preceding paragraph shall be delivered to the Assignee and the Lessor.

SECTION 8. Voluntary Termination. Unless an Event of Default or other event which, with notice, demand and/or lapse of time, would constitute an Event of Default, shall have occurred and be continuing hereunder, the Lessee shall be entitled, at its option, upon at least 120 days prior written notice to the Lessor and the Assignee, to terminate this Lease as to all (but not less than all) of the Units if the Lessee shall have made a good faith determination that all (but not less than all) of the Units have become obsolete or economically unserviceable to the Lessee's operations, which notice shall be accompanied by a certified copy of resolutions adopted by the Board of Directors of the Lessee making such determination and a written statement of the President or a Vice-President of the Lessee setting forth a summary of the basis for such determination; provided, however, that such termination shall become effective only on a rental payment date (hereinafter in this Section 8 called the Termination Date) and in no event prior to July 10, 1990; and provided further, that such termination shall not take effect unless the Lessee shall have fully complied with the succeeding paragraphs of this Section 8. For the purposes of this Section 8, interest rates or similar finance charges payable by the Lessee in connection with the acquisition of similar equipment under conditional sale contracts, leases or other arrangements for deferred payment of the purchase price thereof, shall be disregarded in the determination of obsolescence or economic unserviceability.

During the period from the giving of such notice to the Termination Date, the Lessee, as agent for the Lessor, shall use its best efforts to obtain bids for the purchase of all

the Units on an "as is, where is" basis, and the Lessee shall certify to the Lessor in writing the amount of each bid received and the name and address of the person (who shall not be the Lessee or any person, firm or corporation which is an affiliate of the Lessee) submitting such bid. An "affiliate" of the Lessee shall mean any person which possesses, directly or indirectly, the right to vote at least 20% of the voting securities of the Lessee, or any person which, directly or indirectly, controls or is controlled by or is under common control with the Lessee, and "control" (including "controlled by" and "under common control with"), as used with respect to any person, shall mean the possession, directly or indirectly, of the power to direct or control the direction of the management and policies of such person, whether through the ownership of voting securities, by contract or otherwise. On the Termination Date, the Lessor shall, without recourse or warranty, sell all the Units for cash to whomsoever shall have submitted the highest bid therefor prior to the Termination Date, and thereupon the Lessee shall cause to be delivered the Units to the Lessor in accordance with the terms of Section 15; provided, however, that if the highest bid received shall be less than 90% of the Casualty Value of the Units computed as of the Termination Date, the Lessee shall have the option, exercisable on or prior to the Termination Date, to rescind its notice to terminate this Lease. If the Lessee exercises its option to rescind its notice to terminate this Lease or if the sale of the Units shall not occur on the Termination Date for any other reason, the Lessee shall not cause such delivery of any of the Units to the Lessor; and this Lease shall continue in full force and effect as to all of the Units. The Lessor shall be under no duty to (but may) solicit bids, to inquire into the efforts of the Lessee to obtain bids or otherwise to take any action in connection with any such sale other than as expressly provided in this Section 8.

The total sale price realized at any such sale of the Units shall be retained by the Lessor and, in addition, the Lessee shall pay to the Lessor the excess, if any, of (i) the Casualty Value of the Units computed as of the Termination Date over (ii) the proceeds of such sale less all expenses including reasonable counsels' fees incurred by the Lessor in connection with such sale or with the collection or distribution of such payment. The Lessee shall also be obligated to pay the Lessor any and all rentals and other sums due hereunder with respect to the Units accrued up to and including the Termination Date. In the event of such sale and compliance by the Lessee with all the provisions of this Section 8, the obligations of the Lessee to pay rental hereunder on all rental payment dates commencing after the Termination Date shall terminate.

SECTION 9. Reports. On or before March 31 in each year, commencing with the year 1981, and at such other times as the Lessor may reasonably request, the Lessee will furnish to the Lessor and the Assignee an accurate statement (a) setting forth as at the preceding December 31 the amount, description and numbers of all Units then leased hereunder and covered by the Conditional Sale Agreement, the amount, description and numbers of all Units that have suffered a Casualty Occurrence or are then undergoing repairs (other than running repairs) or have been withdrawn from use pending repairs (other than running repairs) during the preceding calendar year and such other information regarding the condition and state of repair of the Units as the Lessor or the Assignee may reasonably request and (b) stating that, in the case of all Units repaired or repainted during the period covered by such statement, the numbers and markings required by Section 5 and the Conditional Sale Agreement have been preserved or replaced. The Lessor and/or its duly appointed agents shall have the right to inspect the Units and the Lessee's records with respect thereto at such reasonable times as the Lessor may request during the term of this Lease.

The Lessee will promptly furnish to the Lessor and the Assignee (i) as soon as available, and in any event within 120 days after the end of each fiscal year, copies of its Form 10-K Annual Report to the Securities and Exchange Commission for such fiscal year (or any other comparable report substituted therefor which includes certified annual financial information), (ii) as soon as available, and in any event within 45 days after the end of each of the first three quarterly periods of each such fiscal year, copies of its Form 10-Q Reports to the Securities and Exchange Commission for such quarterly periods (or any other comparable report substituted therefor which includes quarterly financial information), (iii) as soon as available, copies of its Uniform Statistical Report, which it prepares annually, and (iv) as soon as available, copies of all reports which it routinely sends to its shareholders.

At the time of the delivery of the financial statements pursuant to clause (i) of the preceding paragraph, the Lessee will deliver to the Lessor and the Assignee a certificate signed by the President, any Vice President, the Treasurer or any Assistant Treasurer of the Lessee stating that a review of the activities of the Lessee during the accounting period covered by such financial statements has been made under his supervision with a view to determining whether the Lessee has kept, observed, performed and fulfilled all of its covenants and obligations under this Lease and that, to the best of his knowledge, the Lessee during such accounting period has kept, observed, performed and fulfilled each and every covenant and obligation contained herein, or if an Event of Default under this Lease shall

exist, existed or if an event has occurred which, with notice, demand and/or lapse of time, would constitute such an Event of Default, specifying such Event of Default or such event and the nature and status thereof.

SECTION 10. Disclaimer of Warranties; Compliance with Laws and Rules; Maintenance; Indemnification. THE LESSOR MAKES NO WARRANTY OR REPRESENTATION, EITHER EXPRESS OR IMPLIED, AS TO THE DESIGN OR CONDITION OF, OR AS TO THE QUALITY OF THE MATERIAL, EQUIPMENT OR WORKMANSHIP IN, THE UNITS DELIVERED TO THE LESSEE HEREUNDER, AND THE LESSOR MAKES NO WARRANTY OF MERCHANTABILITY OR FITNESS OF THE UNITS FOR ANY PARTICULAR PURPOSE OR AS TO TITLE TO THE UNITS OR ANY COMPONENT THEREOF, NOR ANY OTHER REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, WITH RESPECT TO ANY UNIT, EITHER UPON DELIVERY THEREOF TO THE LESSEE OR OTHERWISE, it being agreed that all such risks, as between the Lessor and the Lessee, are to be borne by the Lessee; but the Lessor hereby irrevocably appoints and constitutes the Lessee as its agent and attorney-in-fact during the term of this Lease to assert and enforce from time to time, in the name of and for the account of the Lessor and/or the Lessee, as their interests may appear, at the Lessee's sole cost and expense, whatever claims and rights the Lessor may have against the Builder under the provisions of Article 14 of the Conditional Sale Agreement; provided, however, that if at any time an Event of Default shall have occurred and be continuing, the Lessor or its successors and assigns may assert and enforce, at the Lessee's sole cost and expense, such claims and rights. The Lessor shall have no responsibility or liability to the Lessee or any other person with respect to the following: (i) any liability, loss or damage caused or alleged to be caused directly or indirectly by any Unit or by any inadequacy thereof or deficiency or defect therein or by any other circumstances in connection therewith; (ii) the use, operation or performance of any Unit or any risks relating thereto; (iii) any interruption of service, loss of business or anticipated profits or consequential damages of any person; or (iv) the delivery, operation, servicing, maintenance, repair, improvement or replacement of any Units. The Lessee's delivery of a Certificate of Acceptance shall be conclusive evidence as between the Lessee and the Lessor that the Units described therein are in all of the foregoing respects satisfactory to the Lessee, and the Lessee will not assert any claim of any nature whatsoever against the Lessor based on any of the foregoing matters.

The Lessee agrees for the benefit of the Lessor and the Assignee, to comply in all respects with all laws (including, but not limited to, laws with respect to the use, maintenance and operation of each Unit) of the jurisdictions in which operations involving the Units may extend, with the interchange rules of the Association of American Railroads and

with all lawful rules of the United States Department of Transportation, the Interstate Commerce Commission and any other legislative, executive, administrative or judicial body exercising any power or jurisdiction over the Units, to the extent that such laws and rules affect the title, operation, maintenance or use of the Units; and in the event that such laws or rules require any alteration, replacement or addition of or to any part of any Unit, the Lessee will conform therewith at its own expense; provided, however, that the Lessee may, at its own expense, in good faith, contest the validity or application of any such law or rule in any reasonable manner which does not, in the opinion of the Lessor or the Assignee, adversely affect the property title or rights of the Lessor or the Assignee under this Lease or under the Conditional Sale Agreement.

The Lessee agrees that, at its own cost and expense, it will be responsible for ordinary maintenance and repairs required to maintain and keep each Unit which is subject to this Lease in good operating order, repair and condition, ordinary wear and tear excepted.

Any and all additions to any Unit, and any and all parts installed on and additions and replacements made to any Unit (other than such parts or additions which can be removed from a Unit without material damage to that Unit, which parts or additions shall remain the property of the Lessee), shall constitute accessions to such Unit and ownership thereof, free from any lien, charge, security interest or encumbrance (except for those created by the Conditional Sale Agreement or this Lease), shall immediately be vested in the Lessor and the Assignee as their respective interests appear in such Unit.

The Lessee agrees to indemnify, protect and hold harmless the Lessor, each Beneficiary and the Assignee, and their respective successors, assigns, agents and servants, from and against all losses, damages, injuries, liabilities, claims and demands whatsoever (including, but not limited to, claims in which negligence or breach of warranty or contract of such indemnified part is or are alleged), regardless of the cause thereof, and expenses in connection therewith, including counsel fees and expenses, patent liabilities, penalties and interest, arising out of or as the result of the entering into or the performance of the Conditional Sale Agreement or this Lease, including, but not limited to, those in any way relating to or arising or alleged to arise out of: (i) the manufacture, construction, financing, purchase, acceptance, rejection, ownership, delivery, non-delivery, lease, possession, sublease, transport, storage, use, operation, condition, maintenance, sale, return or other disposition of any Unit or portion thereof, (ii) any latent and other defects whether or not discoverable by the Lessor or the Lessee, (iii) any claim for patent, trademark

or copyright infringement, (iv) any claims based on strict liability in tort, (v) any injury to or the death of any person or any damage to or loss of property on or near the Units or in any manner growing out of or concerned with, or alleged to grow out of or be connected with, the ownership, use, replacement, adaptation or maintenance of the Units or of any other equipment in connection with the Units, resulting or allegedly resulting from the condition of any thereof, and (vi) any violation or alleged violation, of any provision of this Lease or of any agreement, law, rule, regulation, ordinance or restriction, affecting or applicable to the Units or the lease, ownership, use, replacement, adaptation or maintenance thereof. In the event that the Lessor shall become obligated to make any payment to the Builder pursuant to Article 14 of the Conditional Sale Agreement not covered by the foregoing sentence, the Lessee shall pay such additional amounts to the Lessor as will enable the Lessor to fulfill completely its obligations pursuant to said Article 14. The indemnities arising under this paragraph shall continue in full force and effect notwithstanding the full payment of all obligations under this Lease or the termination of this Lease. The amount which the Lessee shall be required to pay with respect to any indemnification under this Section 10 shall be an amount sufficient to restore the indemnified party to the same net after-tax position, after considering the net after-tax effect of the receipt of such indemnification by the indemnified party on its United States federal, state and local income taxes or franchise taxes based on net income, that the indemnified party would have been in had such taxes not been imposed. The indemnities arising under this paragraph shall continue in full force and effect notwithstanding the full payment of all obligations under this Lease or the termination of this Lease or any renewal term hereof.

The Lessee agrees to prepare, deliver to the Lessor for execution within a reasonable time prior to the required date of filing and file (or, to the extent permissible, to prepare for and file on behalf of the Lessor directly) any and all reports (other than income tax returns) to be filed by the Lessor with any federal, state or other regulatory authority by reason of the ownership by the Lessor or the Assignee of the Units or the leasing thereof to the Lessee.

SECTION 11. Default. If during the continuance of this Lease or any renewal term hereof one or more of the following events (each such event being hereinafter sometimes called an Event of Default) shall occur:

(A) default shall be made in payment of any part of the semi-annual rentals provided in Section 3, and such default shall continue for 10 days;

(B) default shall be made in payment of any amount required to be paid by the Lessee hereunder, other than the semi-annual rentals provided in Section 3, and such default shall continue for 10 days after written notice from the Lessor to the Lessee specifying such failure of payment and demanding that the same be paid;

(C) the Lessee shall make or permit any unauthorized assignment or transfer of this Lease or of possession of the Units, or any thereof;

(D) the Lessee shall fail to maintain insurance in accordance with Section 7;

(E) default shall be made in the observance or performance of any other of the covenants, conditions and agreements on the part of the Lessee contained in this Lease, in the Participation Agreement or in any other agreement entered into concurrently herewith relating to the financing or leasing of the Units, and such default shall continue for 20 days after written notice from the Lessor to the Lessee specifying such default and demanding that the same be remedied;

(F) any proceedings shall be commenced by or against the Lessee for any relief under any bankruptcy or insolvency law, or any law relating to the relief of debtors, readjustment of indebtedness, reorganization, arrangement, composition or extension, and, if such proceedings have been commenced against the Lessee, such proceedings shall not have been dismissed, nullified, stayed or otherwise rendered ineffective (but then only so long as such stay shall continue in force or such ineffectiveness shall continue) within 60 days after such proceedings shall have been commenced, or the Lessee shall make a general assignment for the benefit of creditors or shall admit in writing its inability to pay its debts generally as they become due; or

(G) any representations or warranties made by the Lessee herein or in any other agreement, statement or certificate furnished to the Lessor, any Beneficiary or the Assignee in connection with this Lease or the transaction contemplated hereby, proves untrue in any material respect as of the date of issuance thereof;

then, in any such case, the Lessor, at its option, may:

(1) proceed by appropriate court action or actions, either at law or in equity, to enforce performance by the Lessee of the applicable covenants of this Lease or to recover damages for the breach thereof, including

net after-tax losses of federal and state income tax benefits to which the Lessor would otherwise be entitled under this Lease; or

(2) by notice in writing to the Lessee terminate this Lease, whereupon all rights of the Lessee to the possession and use of the Units shall absolutely cease and terminate as though this Lease had never been made, but the Lessee shall remain liable as hereinafter provided; and thereupon the Lessor may, by its agents, enter upon the premises of the Lessee or any other premises where any of the Units may be located and take possession of all or any of such Units and thenceforth hold, possess and enjoy the same free from any right of the Lessee, or its successors or assigns, to use the Units for any purposes whatsoever; but the Lessor shall, nevertheless, have a right to recover from the Lessee any and all amounts which under the terms of this Lease may be then due or which may have accrued to the date of such termination (computing the rental for any number of days less than a full rental period by multiplying the rental for such full rental period by a fraction of which the numerator is such number of days and the denominator is the total number of days in such full rental period) and also to recover forthwith from the Lessee (a) as damages for loss of the bargain and not as a penalty, whichever of the following amounts the Lessor, in its sole discretion, shall specify: (x) a sum, with respect to each Unit, which represents the excess of the present worth, at the time of such termination, of all rentals therefor which would otherwise have accrued hereunder from the date of such termination to the end of the term of this Lease over the then present worth of the then fair rental value of such Unit for such period computed by discounting from the end of such term to the date of such termination rentals which the Lessor reasonably estimates to be obtainable for the use of the Unit during such period, such present worth to be computed in each case on a basis of a 6% per annum discount, compounded semiannually from the respective dates upon which rentals would have been payable hereunder had this Lease not been terminated, or (y) an amount equal to the excess, if any, of the Casualty Value of such Unit as of the rental payment date on or next preceding the date of termination over the amount the Lessor reasonably estimates to be the sales value thereof at such time; provided, however, that in the event the Lessor shall have sold any Unit, the Lessor, in lieu of collecting any amounts payable to the Lessor by the Lessee pursuant to the preceding clauses (x) and (y) of this clause (a) with respect thereto, may, if it shall so elect, demand that the Lessee pay the Lessor and the Lessee shall pay to the Lessor on the date of such sale, as liquidated damages

for loss of a bargain and not as a penalty, an amount equal to the excess, if any, of the Casualty Value of such Unit, as of the rental payment date on or next preceding the date of termination over the net proceeds of such sale, and (b) any damages and expenses, including reasonable attorneys' fees, in addition thereto which the Lessor shall have sustained by reason of the breach of any covenant, representation or warranty of this Lease other than for the payment of rental.

The remedies in this Lease provided in favor of the Lessor shall not be deemed exclusive, but shall be cumulative and shall be in addition to all other remedies in its favor existing at law or in equity. The Lessee hereby waives any mandatory requirements of law, now or hereafter in effect, which might limit or modify the remedies herein provided, to the extent that such waiver is permitted by law. The Lessee hereby waives any and all existing or future claims to any offset against the rental payments due hereunder, and agrees to make rental payments regardless of any offset or claim which may be asserted by the Lessee or on its behalf.

The failure of the Lessor to exercise any of the rights granted it hereunder upon the occurrence of any of the contingencies set forth herein shall not constitute a waiver of any such right upon the continuation or recurrence of any such contingencies or similar contingencies.

The Lessor and the Lessee shall each give prompt notice to the other and to the Assignee and to each Beneficiary of any Event of Default of which the Lessor or the Lessee shall have knowledge.

The foregoing provisions of this Section 11 are subject in all respects to all mandatory requirements of law at the time in force and applicable thereto.

SECTION 12. Return of Units upon Default. If this Lease shall terminate pursuant to Section 11, the Lessee shall forthwith deliver possession of the Units to the Lessor. Each Unit so delivered shall be in the same operating order, repair and condition as when originally delivered to the Lessee, ordinary wear and tear excepted, and shall meet all applicable standards of the Department of Transportation and comply with the applicable Interchange Rules of the Mechanical Division of the Association of American Railroads or any successor to such Division or Association. For the purpose of delivering possession of any Unit or Units as above required, the Lessee shall at its own cost, expense and risk:

(a) place the Unit or Units in the standard of condition as specified above;

(b) forthwith place such Units upon such storage tracks as the Lessor reasonably may designate;

(c) permit the Lessor to store such Units on such tracks at the risk of the Lessee without charge for insurance or storage until such Units have been sold, leased or otherwise disposed of by the Lessor; and

(d) cause the same to be delivered to any carrier for shipment as directed by the Lessor.

The assembling, delivery, storage and transporting of the Units as in this Section 12 provided shall be at the expense and risk of the Lessee for a period of nine months following such termination and are of the essence of this Lease, and, upon application to any court of equity having jurisdiction in the premises, the Lessor shall be entitled to a decree against the Lessee requiring specific performance of the same. During any storage period, the Lessee will, at its own cost and expense, maintain and keep the Units in good order and repair and will permit the Lessor or any person designated by it, including the authorized representative or representatives of any prospective purchaser or lessee of any such Unit, to inspect the same. All amounts earned in respect of the Units after the date of termination of this Lease shall belong to the Lessor and, if received by the Lessee, shall be promptly turned over to the Lessor. In the event any Unit is not assembled, delivered and stored as hereinabove provided within thirty days after such termination, the Lessee shall, in addition to any amounts payable by the Lessee in accordance with Section 11, pay to the Lessor for each day thereafter an amount equal to the amount, if any, by which .026618% of the Purchase Price of such Unit for each such day exceeds the actual earnings received by the Lessor on such Unit for each such day.

Without in any way limiting the obligations of the Lessee under the foregoing provisions of this Section 12, the Lessee hereby irrevocably appoints the Lessor as the agent and attorney-in-fact of the Lessee, with full power and authority, at any time while the Lessee is obligated to deliver possession of any Unit to the Lessor, to demand and take possession of such Unit in the name and on behalf of the Lessee from whomsoever shall be in possession of such Unit at the time, subject to all mandatory requirements of due process of law.

SECTION 13. Assignment; Possession and Use; Liens.
This Lease shall be assignable in whole or in part by the Lessor without the consent of the Lessee, but the Lessee shall be under no obligation to any assignee of the Lessor except upon written notice of such assignment from the Lessor. Such rights and obligations of the Lessor hereunder as shall be so assigned shall inure to the benefit of the

Lessor's assigns. Whenever the term "Lessor" is used in this Lease, it shall apply and refer to the Lessor and each assignee of the Lessor.

So long as the Lessee shall not be in default under this Lease, the Lessee shall be entitled to the possession and use of the Units in accordance with the terms of this Lease, but, without the prior written consent of the Lessor, the Lessee shall not assign, sublease (except as hereinafter in this paragraph provided) or transfer its leasehold interest under this Lease in the Units or any of them; provided, however, that this sentence shall not be deemed to prohibit any lien attaching to the leasehold interest of the Lessee under this Lease by reason of the existence of an after-acquired property clause in any mortgage to which the Lessee is a party covering substantially all of its utility property; and provided further, that in no event shall any Unit be delivered to, or accepted or used by, the Lessee under this Lease prior to the settlement for such Unit on the Closing Date therefor as provided in Article 4 of the Conditional Sale Agreement. Without the prior written consent of the Lessor, the Lessee shall be permitted to enter into one or more subleases with respect to the Units so long as, at the time of any such sublease and after giving effect thereto: (i) no Event of Default shall have occurred and be continuing, (ii) such sublease shall by its terms be made expressly subject and subordinate to this Lease and to the terms and provisions hereof, (iii) such sublease shall contain terms and provisions substantially similar to those contained herein with respect to the maintenance and operation of the Equipment and with respect to the rights and remedies of a lessor upon the occurrence of an Event of Default, (iv) each such sublease shall cover not less than 50 of the Units and (v) no such sublease shall be for a term in excess of one year, and in any event, shall not be for a term extending beyond the expiration of the term of this Lease. In no event shall any assignment, transfer or sublease relieve the Lessee of any of its obligations, liabilities or duties hereunder which shall be and remain those of a principal and not a guarantor. The Lessee, at its own expense, will promptly pay or discharge any and all sums claimed by any person which, if unpaid, might become a lien, charge, security interest or other encumbrance (other than an encumbrance created by the Lessor or the Assignee or resulting from claims against the Lessor or Assignee not related to the ownership of the Units) on or with respect to any Unit, including any accession thereto, or the interest of the Lessor, the Assignee or the Lessee therein, and will promptly discharge any such lien, charge, security interest or other encumbrance which arises; provided, however, that the Lessee shall not be required to pay or discharge any such claim so long as the validity thereof shall be contested in good faith and by appropriate legal proceedings in any reasonable manner and the nonpayment thereof does not, in the opinion

of the Lessor, adversely affect the title of the Lessor in or to the Units or otherwise adversely affect its rights or the rights of the Assignee under this Lease or the Conditional Sale Agreement; and provided further, that this covenant will not be breached by reason of the existence of liens for taxes, assessments or governmental charges or levies, in each case so long as not due and delinquent, or undetermined or inchoate materialmen's, mechanics', workmen's, repairmen's or other like liens arising in the ordinary course of business and, in each case, not delinquent. The Lessee shall not, without the prior written consent of the Lessor, part with the possession or control of, or suffer or allow to pass out of its possession or control, any of the Units, except to the extent permitted by the provisions of the immediately succeeding paragraph.

The Lessee acknowledges and agrees that its rights and the rights of its permitted assigns under this Lease shall at all times be subordinated and junior in rank to the rights, and shall be subject to the remedies, of the Assignee under the Conditional Sale Agreement; provided, however, that so long as the Lessee shall not be in default under this Lease, the Lessee shall be entitled to the possession and use of the Units only for use in unit train service to haul coal within the continental United States of America and for use in unit train service to haul any other commodity within the continental United States of America if the hauling of such other commodity does not result in wear and tear to the Units beyond that which would result from the hauling of coal of the type mined from the Gillette area of Wyoming.

SECTION 14. Options. Provided this Lease has not been earlier terminated and the Lessee is not in default hereunder, the Lessee may by written notice delivered to the Lessor not less than 180 days prior to the end of the original term of this Lease elect to extend the term of this Lease in respect of not less than all of such Units then covered by this Lease for an additional five-year period (such period being hereinafter called the First Renewal Term) commencing on the scheduled expiration of the original term of this Lease. The Lessee may also by written notice delivered to the Lessor not less than 180 days prior to the end of the First Renewal Term elect to extend the term of this Lease in respect of not less than all of the Units then covered by this Lease for an additional five-year period commencing on the expiration of the First Renewal Term (such period being hereinafter called the Second Renewal Term and the First Rental Term and the Second Rental Term being hereinafter collectively referred to as the Renewal Terms). In the event that the term of this Lease is extended pursuant to the preceding two sentences, the Lessee shall pay semi-annual rentals on January 10 and July 10 in each year of such extended term, equal to, during the First Renewal Term, the

lower of (i) an amount equal to 2.4289% of the Purchase Price of all Units then subject to this Lease or (ii) the then Fair Market Rental (as hereinafter defined) of such Units and, during the Second Renewal Term, equal to the then Fair Market Rental of all Units then subject to this Lease.

Fair Market Rental shall be determined on the basis of, and shall be equal in amount to, the rental which would obtain in an arm's-length transaction between an informed and willing lessee (other than a lessee currently in possession) and an informed and willing lessor under no compulsion to lease and, in such determination, costs of removal from the location of current use or storage shall not be a deduction from such rental. If, after 60 days from the giving of notice by the Lessee of the Lessee's election to extend the term of this Lease, the Lessor and the Lessee are unable to agree upon a determination of the Fair Market Rental of the Units, such rental shall be determined in accordance with the foregoing definition by the following procedure: If either party to such determination shall have given written notice to the other requesting determination of such value by this appraisal procedure, the parties shall consult for the purpose of appointing a qualified independent appraiser by mutual agreement. If no such appraiser is so appointed within 20 days after such notice is given, each party shall appoint an independent appraiser within 25 days after such notice is given, and the two appraisers so appointed shall within 35 days after such notice is given appoint a third independent appraiser. If no such third appraiser is appointed within 35 days after such notice is given, either party may apply, to make such appointment, to the American Arbitration Association, and both parties shall be bound by any appointment so made. Any appraiser or appraisers appointed pursuant to the foregoing procedure shall be instructed to determine the Fair Market Rental of the Units subject to the proposed extended term within 60 days after his or their appointment. If the parties shall have appointed a single appraiser or if either party shall have failed to appoint an appraiser, the determination of Fair Market Rental of the single appraiser appointed shall be final. If three appraisers shall be appointed, the determination of the appraiser which differs most from the other two appraisers shall be excluded, the remaining two determinations shall be averaged and such latter average shall be final and binding upon the parties hereto as the Fair Market Rental. The appraisal proceedings shall be conducted in accordance with the Commercial Arbitration Rules of the American Arbitration Association as in effect on the date hereof, except as modified hereby. The provision for this appraisal procedure shall be the exclusive means of determining Fair Market Rental and shall be in lieu of any judicial or other procedure for the determination thereof, and each party hereto hereby consents and agrees not to assert any judicial or other procedures. The expenses of the appraisal procedure shall be borne equally by the Lessee and the Lessor.

Upon the termination of this Lease (other than its termination as provided in Sections 8 and 11), or upon expiration of any of the Renewal Terms, the right of the Lessor to sell any or all of the Units shall be subject to the rights of the Lessee (i) to receive written notice from the Lessor of any offer to purchase any such Units, (ii) to prohibit the Lessor from accepting such an offer prior to the expiration of a period of ten Business Days following the Lessor's giving of such notice and (iii) to prohibit the Lessor from selling such Units to any party if the Lessee makes an irrevocable offer, within ten Business Days after receipt of such notice, to purchase all of the Units proposed to be purchased by such other party at the same price or a higher price, and under the same terms specified in the offer of such other party, provided, however, that no offer made by the Lessee to purchase such Units may be at a price less than their fair market value, at the time the offer is made.

SECTION 15. Return of Units upon Expiration of Term. As soon as practicable on or after the expiration of the original term of this Lease or any Renewal Term, provided that the Lessee has not agreed to purchase the Units as above provided, the Lessee will, at its cost and expense, at the request of the Lessor, deliver such Units to the Lessor upon such storage tracks as the Lessor may reasonably designate, or, in the absence of such designation, as the Lessee may select, and store such Units on such tracks for a period not exceeding 120 days and cause the same to be delivered, at any time within such 120-day period as may be designated by the Lessor upon 20-days prior written notice to the Lessee, to not more than three interchange points (none of which shall be located further than 800 miles from Oklahoma City, Oklahoma) directed by the Lessor. The movement and storage of such Units shall be at the expense and risk of the Lessee and without charge to the Lessor for insurance. During any such storage period, the Lessor or any person designated by it, including the authorized representative or representatives of any prospective purchaser of such Units, may inspect the same; provided, however, that the Lessee shall not be liable, except in the case of negligence of the Lessee or of its employees or agents, for any injury to, or the death of, any person exercising, either on behalf of the Lessor or any prospective purchaser, the right of inspection granted under this sentence. Each Unit returned to the Lessor pursuant to this Section 15 shall: (i) be in the same operating order, repair and condition as when originally delivered to the Lessee, reasonable wear and tear excepted and (ii) meet all applicable standards of the Department of Transportation and to comply with any applicable Interchange Rules of the Mechanical Division of the Association of American Railroads or any successor to such Division or Association. The assembling, delivery, storage and transporting of the Units as in this Section 15 provided are of

the essence of this Lease, and, upon application to any court of equity having jurisdiction in the premises, the Lessor shall be entitled to a decree against the Lessee requiring specific performance of the same. All amounts earned in respect of the Units after the date of termination of this Lease shall belong to the Lessor and, if received by the Lessee, shall be promptly turned over to the Lessor. In the event any Unit is not assembled, delivered and stored as hereinabove provided, within thirty days after such termination, the Lessee shall in addition pay to the Lessor for each day thereafter an amount equal to the amount, if any, by which .026618% of the Purchase Price of such Unit for each such day exceeds the actual earnings received by the Lessor on such Unit for each such day. As to any Unit, upon delivery of such Unit to the delivery point designated by the Lessor, or, if earlier, upon the expiration of the 120 day storage period herein provided, the Lessee shall have no further liability with respect to such Unit.

SECTION 16. Opinion of Counsel. On each Closing Date, the Lessee will deliver to the Lessor fifteen counterparts of the written opinions of counsel for the Lessee, addressed to the Lessor and each Beneficiary, to the effect provided in subparagraphs (f) and (g) of the first paragraph of Section 5 of the Assignment.

SECTION 17. Recording. The Lessee, at its own expense, will cause this Lease, the Lease Assignment, the Conditional Sale Agreement and the Assignment, and any amendments or supplements hereto or thereto, and any further assignments hereof and thereof, to be filed and recorded with the Interstate Commerce Commission pursuant to 49 U.S.C. §11303 and the Lessee will undertake the filing, registering, depositing and recording required of the Lessor under the Conditional Sale Agreement and will from time to time do and perform any other act and will execute, acknowledge, deliver, file, register, deposit and record (and will refile, re-register, re-deposit or re-record whenever required) any and all further instruments required by law or reasonably requested by the Lessor or the Assignee for the purpose of proper protection, to their satisfaction, of the Lessor's and the Assignee's respective interests in the Units, or for the purpose of carrying out the intention of and their respective rights under this Lease, the Lease Assignment, the Conditional Sale Agreement and the Assignment; and the Lessee will promptly furnish to the Lessor and the Assignee evidences of all such filing, registering, depositing and recording and an opinion or opinions of counsel for the Lessee with respect thereto satisfactory to the Lessor and the Assignee and their respective counsel.

SECTION 18. Interest on Overdue Rentals. Anything herein to the contrary notwithstanding, any nonpayment of rentals and other obligations due hereunder shall result in

the obligation on the part of the Lessee promptly to pay, to the extent legally enforceable, an amount equal to the greater of, computed in each case on the basis of a 360-day year of twelve 30-day months, (i) 13% per annum, or (ii) 3% per annum in excess of the per annum rate charged by The First National Bank and Trust Company of Oklahoma City, from time to time to its largest and most credit worthy commercial borrowers on 90-day commercial loans of the overdue rentals and other obligations for the period of time during which they are overdue.

SECTION 19. Notices. Any notice hereunder to any of the persons designated below shall be deemed to have been properly served if delivered personally or if mailed, when mailed registered mail postage prepaid, at the following specified addresses:

(a) To the Lessor, by mail, Mercantile-Safe Deposit and Trust Company, as Trustee, P.O. Box 2258, Baltimore, Maryland 21203, attention of Corporate Trust Department; by all other means, Mercantile-Safe Deposit and Trust Company, as Trustee, 2 Hopkins Plaza, Baltimore, Maryland 21201, attention of Corporate Trust Department;

(b) To the Lessee, Oklahoma Gas and Electric Company, 321 North Harvey Street, Oklahoma City, Oklahoma 73101, attention of Treasurer;

(c) To the Assignee, The First National Bank and Trust Company of Oklahoma City, as Agent, P.O. Box 25189, Oklahoma City, Oklahoma 73125, attention of Jake L. Riley, Senior Vice President and Trust Officer;

(d) To the Beneficiaries, at their addresses set forth in Paragraph 15 of the Participation Agreement;

or to such other address as may have been furnished in writing by such person to the other parties to this Agreement.

SECTION 20. Payment of Expenses. The Lessee agrees to pay (i) all of the costs and expenses incurred by the Lessee in connection with the preparation, execution and delivery of this Lease, the Participation Agreement, the Conditional Sale Agreement, the Assignment and the Lease Assignment, or any amendments, supplements or waivers with respect hereto or therefor, including the reasonable fees and disbursements of (A) Gardner, Carton & Douglas as special counsel for the Lessee and (B) Rainey, Ross, Rice & Binns as counsel for the Lessee and (ii) any and all commissions, fees, judgments or expenses of any nature or kind which may become payable by reason of any claim by or on behalf of brokers, finders or agents in connection with the transactions contemplated by the Participation Agreement or any litigation or similar proceedings arising from such claims (other than the fees

and disbursements of Kidder, Peabody & Co., Inc.) and any other amount claimed by or on behalf of any broker, finder or agent by reason of any arrangement or understanding directly with the person or persons asserting any rights under this sentence. By agreement dated the date hereof (hereinafter called the Expenses Agreement), the Beneficiaries have agreed with the Lessee to pay certain expenses incurred or to be incurred in connection with the transactions contemplated hereby. The Lessee agrees to pay such expenses as supplemental rental in the manner provided in Section 3, to the extent such expenses are not paid by the Beneficiaries under the Expenses Agreement.

SECTION 21. Severability; Effect and Modification of Lease. Any provision of this Lease prohibited or unenforceable by any applicable law of any jurisdiction shall as to such jurisdiction be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction. Where, however, the conflicting provisions of any such applicable law may be waived, they are hereby waived by the Lessee to the full extent permitted by law, to the end that this Lease shall be enforced as written.

This Lease exclusively and completely states the rights of the Lessor and the Lessee with respect to the leasing of the Units and supersedes all other agreements, oral or written, with respect thereto. No variation or modification of this Lease and no waiver of any of its provisions or conditions shall be valid unless in writing and signed by duly authorized officers of the Lessor and of the Lessee.

All Section headings are inserted for convenience only and shall not affect any construction or interpretation of this Lease.

SECTION 22. Immunities; No Recourse. It is expressly understood and agreed by and between the parties hereto, anything herein to the contrary notwithstanding, that each and all the representations, undertakings and agreements herein made on the part of the Lessor are each and every one of them made and intended not as personal representations, covenants, undertakings and agreements by Mercantile-Safe Deposit and Trust Company, or for the purpose or with the intention of binding said Mercantile-Safe Deposit and Trust Company personally, but are made and intended for the purpose of binding only the Trust Estate as such term is used in the Trust Agreement, and this Lease is executed and delivered by Mercantile-Safe Deposit and Trust Company solely in the exercise of the powers expressly conferred upon it as trustee under the Trust Agreement; and except in the case of gross negligence or wilful misconduct, no personal liability or

personal responsibility is assumed by or shall at any time be asserted or enforceable against Mercantile-Safe Deposit and Trust Company or any Beneficiary or on account of any representation, covenant, undertaking or agreement of the Lessor, either express or implied, all such personal liability, if any, being expressly waived and released by the Lessee.

SECTION 23. Lessor's Right to Perform for the Lessee. It is expressly understood and agreed that upon the occurrence of any of the defaults or conditions described in clauses (A), (B), (D) or (E) of the first paragraph of Section 11 of this Lease, and prior to the time that such default or condition shall constitute an Event of Default hereunder, the Lessor may make such payment or perform such other act as will cure such default or condition, and the amount of all payments made by the Lessor on behalf of the Lessee, plus the amount of all reasonable expenses incurred in connection therewith, together with interest thereon, to the extent legally enforceable, at the rate equal to the greater of, computed in each case on the basis of a 360-day year of twelve 30-day months, (i) 13% per annum, or (ii) 3% per annum in excess of the per annum rate charged by The First National Bank and Trust Company of Oklahoma City from time to time to its largest and most credit worthy commercial borrowers on 90-day commercial loans, from the date of expenditure to the date of reimbursement, shall constitute additional rental payable hereunder from the Lessee to the Lessor on demand; provided, however, that the Lessor shall not have the right to pay more than two consecutive semi-annual rental payments on behalf of the Lessee.

SECTION 24. Law Governing. The terms of this Lease and all rights and obligations hereunder shall be governed by the laws of the State of Illinois; provided, however, that the parties shall be entitled to all rights conferred by 49 U.S.C. §11303 and such additional rights arising out of the filing, recording, registering or depositing, if any, of this Lease and the Lease Assignment as shall be conferred by the laws of the several jurisdictions in which this Lease or the Lease Assignment shall be filed, recorded, registered or deposited.

SECTION 25. Execution. This Lease may be executed in any number of counterparts, but the counterpart delivered to the Assignee shall be deemed to be the original counterpart. Although this Lease is dated as of January 1, 1980 for convenience, the actual date or dates of execution hereof by the parties hereto is or are, respectively, the date or dates stated in the acknowledgments hereto annexed.

IN WITNESS WHEREOF, the parties hereto, each pursuant to due corporate authority, have caused this Lease to be signed in their respective corporate names by duly authorized officers and their respective corporate seals to be

hereunto affixed and duly attested, all as of the date first above written.

WHEREAS, the Builder and the Assignee have entered into an Agreement and Assignment dated as of the date hereof (hereinafter called the Conditional Sale Assignment) assigning to the Assignee the right, security title and interest of the Builder under the Conditional Sale Agreement as security for the payment of the Conditional Sale Indebtedness (as defined in the Conditional Sale Agreement);

WHEREAS, the Vendee and OKLAHOMA GAS AND ELECTRIC COMPANY (hereinafter called the Lessee) have entered into a Lease of Railroad Equipment dated as of the date hereof (hereinafter called the Lease) providing for the lease to the Lessee of the Equipment; and

WHEREAS, in order to provide further security for the payment of the Conditional Sale Indebtedness and as an inducement to the Investors (as defined in the Participation Agreement) to invest in the Conditional Sale Indebtedness, the Vendee has agreed to assign for security purposes certain of its rights in, to and under the Lease to the Assignee;

NOW, THEREFORE, in consideration of the sum of One Dollar and other good and valuable consideration paid by the Assignee to the Vendee, the receipt of which is hereby acknowledged, as well as of the mutual covenants herein contained, the parties hereto do hereby agree as follows:

SECTION 1. The Vendee hereby assigns, transfers and sets over unto the Assignee, its successors and assigns, as collateral security for the payment and performance of the obligations of the Vendee under the Conditional Sale Agreement, all the Vendee's right, title and interest (other than

the rights of the Vendee pursuant to Section 23 of the Lease regarding the cure of certain Events of Default under the Lease) as lessor under the Lease, including without limitation, the immediate right to receive and collect all rentals and other sums payable to or receivable by the Vendee under or pursuant to the provisions of the Lease, whether as rent, casualty payment, termination payment, indemnity, liquidated damages or otherwise (such moneys being hereinafter called the Payments), it being expressly understood and agreed by the Assignee that such assignment of the Payments shall not thereby increase the amount of funds applicable to the payment or prepayment of the Conditional Sale Indebtedness or interest or premium, if any, thereon as provided in the last paragraph of Article 4 of the Conditional Sale Agreement; and the right to make all waivers and agreements, to give all notices, consents and releases, to take all action upon the happening of an Event of Default specified in the Lease and to do any and all other things whatsoever which the Vendee as lessor is or may become entitled to do under the Lease; provided, however, that the term Payments shall not include and no assignment is made hereby of the right of the Vendee to receive from the Lessee the reimbursements for taxes and other items pursuant to Section 6 of the Lease and the indemnification payments pursuant to the penultimate paragraph of Section 10 of the Lease or the right of the Beneficiaries to receive payments under the Indemnity Agreement entered into as of the date hereof between the Beneficiaries and the Lessee. In furtherance of the foregoing assignment and transfer, the Vendee hereby authorizes and empowers the Assignee, in the Assignee's own name or in the name of the Assignee's nominee, or in the name of or as attorney hereby irrevocably constituted for the Vendee as lessor, to ask, demand, sue for, collect, receive and enforce any and all sums to which the Assignee is or may become entitled under this Assignment and compliance by the Lessee with the terms and agreements on its part to be performed under the Lease.

The Assignee agrees to accept any Payments made by the Lessee for the account of the Vendee as lessor pursuant to the Lease and to acknowledge receipt of such payments, subject to the Vendee's right to receive certain payments directly as above provided. To the extent received, the Assignee will apply such Payments to satisfy the obligations of the Vendee under the Conditional Sale Agreement, subject to the limitations contained in the last paragraph of Article 4 of the Conditional Sale Agreement, and any balance shall be paid to the Vendee on the same date such Payment is applied to satisfy such obligations of the Vendee by bank wire to the Vendee of immediately available federal funds at such address as may be specified to the Assignee in writing, and such balance shall be retained by the Vendee unless an Event of Default, as defined in the Lease, exists or with notice, demand or a lapse of time would exist. If the

Assignee shall not receive any rental payment under the first paragraph of Section 3 of the Lease when due, the Assignee shall notify the Vendee at the address set forth in the Lease.

SECTION 2. This Assignment is executed only as security and, therefore, the execution and delivery of this Assignment shall not subject the Assignee to, or transfer, or pass, or in any way affect or modify, the liability of the Vendee under the Lease, it being understood and agreed that, notwithstanding this Assignment, or any subsequent assignment, all obligations, if any, of the Vendee to the Lessee shall be and remain enforceable by the Lessee only against the Vendee or persons other than the Assignee.

SECTION 3: To protect the security afforded by this Assignment, the Vendee further agrees as follows:

(a) the Vendee will faithfully abide by, perform and discharge each and every obligation, covenant and agreement which the Lease provides are to be performed by the Vendee (other than any act or omission in respect of which the Lessee has assumed responsibility under the Lease); and, without the express written consent of the Assignee, the Vendee will not anticipate the rents under the Lease or waive, excuse, condone, forgive, or in any manner release or discharge the Lessee thereunder of or from the obligations, covenants, conditions and agreements to be performed by the Lessee, including, without limitation, the obligation to pay the rentals in the manner and at the times and place specified therein, or enter into any agreement amending, modifying or terminating the Lease; and the Vendee agrees that any amendment, modification or termination thereof without such consent shall be void;

(b) at the Vendee's sole cost and expense (subject to the last paragraph of Article 4 and Article 22 of the Conditional Sale Agreement), the Vendee will appear in and defend every action or proceeding arising under, growing out of or in any manner connected with the obligations, duties or liabilities of the Vendee under the Lease if such action or proceeding shall arise out of the willful misconduct or gross negligence of the Vendee; and

(c) should the Vendee fail to make any payment or to do any act which this Assignment requires the Vendee to make or do, then the Assignee may (but shall not be obligated), after first making written demand upon the Vendee and affording the Vendee a reasonable period of time within which to make such payment or do such act, and without releasing the Vendee from any obligation hereunder or under the Lease, make such payment or do

such act in such manner and to such extent as the Assignee may deem necessary to protect the security hereof, including, without limitation, the right to appear in and defend any action or proceeding purporting to affect the security hereof or the rights or powers of the Assignee and also the right to perform and discharge each and every obligation, covenant and agreement of the Vendee contained in the Lease. In exercising any such powers, the Assignee may pay necessary costs and expenses, employ counsel and incur and pay reasonable attorneys' fees, and the Vendee will reimburse the Assignee for such costs, expenses and fees.

SECTION 4. Upon the full discharge and satisfaction of all the Vendee's obligations under the Conditional Sale Agreement, this Assignment and all rights herein assigned to the Assignee shall terminate, and all estate, right, title and interest of the Assignee in and to the Lease shall revert to the Vendee. The Assignee hereby agrees that it will, at the request of the Vendee or its successors or assigns, make, execute and deliver all such instruments of assignment, transfer, assurance and do such further acts and things as may be necessary and appropriate to give effect to the terms of this Assignment and the reversion of all estate, right, title and interest of the Assignee in and to the Lease.

SECTION 5. The Vendee represents and warrants that (a) the Conditional Sale Agreement, the Conditional Sale Assignment, the Lease and this Assignment have each been duly authorized, executed and delivered by the Vendee and, assuming the due authorization, execution and delivery by each of the other party or parties hereto and thereto, each is and will remain the valid and binding obligation of the Vendee enforceable in accordance with its respective terms, subject only to limitations as to enforceability imposed by bankruptcy, insolvency, reorganization, moratorium or other similar laws affecting the enforcement of creditors' rights generally; (b) the Vendee has not executed any other assignment of the Conditional Sale Agreement or the Lease and its right to receive all payments under the Lease is and will continue to be free and clear of any and all liens, charges, security interests or other encumbrances (except this Assignment) created, incurred, assumed or suffered as a result of any act or omission on the part of the Vendee (other than any act or omission in respect of which the Lessee has assumed responsibility under the Lease), and the Vendee has not received any advance rental payment under the Lease; and (c) to the best knowledge of the Vendee, it has performed all obligations on its part to be performed under the Lease on or prior to the date hereof and there has not occurred on or prior to the date hereof any Event of Default as defined in the Lease or any event which, with notice, demand or lapse of time would constitute an Event of Default.

SECTION 6. The Assignee may, but only in accordance with the provisions of the Participation Agreement and the Conditional Sale Agreement, assign all or any of its rights under the Lease, including the right to receive any Payments due or to become due thereunder. In the event of any such assignment, any such subsequent or successive assignee or assignees shall, to the extent of such assignment, and upon giving by the Assignee of written notice of such assignment to the Vendee and the Lessee, enjoy all the rights and privileges and be subject to all the obligations of the Assignee hereunder.

SECTION 7. The Vendee hereby agrees that it will from time to time and at all times, at the request of the Assignee or its successors or assigns, make, execute and deliver all such further instruments of assignment, transfer and assurance and do such further acts and things as may be necessary and appropriate in the premises to give effect to the provisions hereinabove set forth and more perfectly to confirm the rights, titles and interests hereby assigned and transferred to the Assignee or intended so to be, including the execution and acknowledgment of any instrument necessary or appropriate to file, record, register or deposit this Assignment or notice hereof.

SECTION 8. The Vendee shall cause copies of all notices received in connection with the Lease to be promptly delivered to the Assignee at its address set forth in Article 21 of the Conditional Sale Agreement, or at such other address as the Assignee shall designate in writing. The Assignee shall give immediate notice by telegram, promptly confirmed in writing, to the Vendee of any default by the Lessee described in clauses (A) and (B) of Section 11 of the Lease and of any other default by the Lessee described in such Section 11 of which the Assignee has actual knowledge.

SECTION 9. The terms of this Assignment and all rights and obligations hereunder shall be governed by the laws of the State of Illinois; provided, however, that the parties shall be entitled to all rights conferred by 49 U.S.C. §11303 and such additional rights arising out of the filing, recording, registering or depositing, if any, of the Lease or this Assignment as shall be conferred by the laws of the several jurisdictions in which the Lease or this Assignment shall be filed, recorded, registered or deposited.

SECTION 10. The Assignee hereby agrees with the Vendee that the Assignee will not, so long as no event of default under the Conditional Sale Agreement or Event of Default under the Lease, or any event which with notice, demand or lapse of time could constitute an event of default under the Conditional Sale Agreement or an Event of Default under the Lease, has occurred and is continuing, exercise or enforce, or seek to exercise or enforce, or avail itself of, any of

the rights, powers, privileges, authorizations or benefits assigned and transferred by the Vendee to the Assignee by this Assignment, except the right to receive and apply the Payments as provided in Section 1 hereof, and that, subject to the terms of the Lease and the Conditional Sale Agreement, the Vendee may, so long as no event of default under the Conditional Sale Agreement or Event of Default under the Lease has occurred and is continuing, exercise or enforce, or seek to exercise or enforce or avail itself of, such rights, powers, privileges, authorizations or benefits.

SECTION 11. Notwithstanding any other provision of this Assignment: (a) the terms of this Assignment shall not impose any obligations on the Vendee in addition to the obligations of the Vendee under the Lease or under the Conditional Sale Agreement or in any way limit the effect of the last paragraph of Article 4 of the Conditional Sale Agreement; (b) so long as there is no event of default under the Conditional Sale Agreement or an event which with notice, demand or lapse of time would constitute an event of default thereunder, and to the extent that the Vendee does not seek to receive and collect any Payments under the Lease in excess of the obligations of the Vendee under the Conditional Sale Agreement, the terms of this Assignment shall not limit or in any way affect the Vendee's right to receive and collect any Payments under the Lease in excess of the obligations of the Vendee under the Conditional Sale Agreement, or empower the Vendee in any way to waive or release the Lessee's obligation to pay such excess amounts, and the Vendee shall continue to be empowered to ask, demand, sue for, collect and receive any and all of such excess amounts and (c) each and all of the representations, undertakings and agreements herein made on the part of the Vendee are each and every one of them made and intended not as personal representations, undertakings and agreements by Mercantile-Safe Deposit and Trust Company, or for the purpose or with the intention of binding said bank personally but are made and intended for the purpose of binding only the Trust Estate as such term is used in the Trust Agreement referred to in the first paragraph hereof and this Assignment is executed and delivered by the said bank solely in the exercise of the powers expressly conferred upon said bank as trustee under said Trust Agreement, and it is agreed that no personal liability or personal responsibility is assumed by or shall at any time be asserted or enforceable against said bank, except for its wilful misconduct or gross negligence, or against any Beneficiary or on account of any representation, undertaking or agreement of the Vendee or any Beneficiary, either expressed or implied, all such liability, if any, being expressly waived and released by the Assignee and by all persons claiming by, through or under the Assignee; provided, however, that the Assignee or any person claiming by, through or under any of it, making claim hereunder, may look to said Trust Estate for satisfaction of the same.

SECTION 12. This Assignment may be executed in any number of counterparts, but the counterpart delivered to the Assignee shall be deemed to be the original counterpart. Although this Assignment is dated as of January 1, 1980 for convenience, the actual date or dates of execution hereof by the parties hereto is or are, respectively, the date or dates stated in the acknowledgments hereto annexed.

IN WITNESS WHEREOF, the parties hereto, each pursuant to due corporate authority, have caused this Assignment to be signed in their respective corporate names by duly authorized officers and their respective corporate seals to be hereunto affixed and duly attested, all as of the date first above written.
